PART I.

GENERAL

Proceedings of the Government of His Highness the Maharaja of Mysore,

READ—

Memorial dated 7th November 1902, submitted to His Highness the Maharaja by R. Guru Rao, late Excise Supervisor, complaining that his pension has not been sanctioned.

2. Letter No. 3088-126, dated 25th November 1902, from the Excise Commissioner in Mysore, forwarding copy of letter No. 1036-113, dated 21st November 1902, from the Deputy Commissioner, Shimoga District, explaining the cause of delay in submitting the pension papers of R. Guru Rao.

No. 11297-11344—P. & A. 963, DATED BANGALORE, 3RD FEBRUARY 1903.

ORDER THEREON—In the memorial read above, Guru Rao represented that his pension had not been sanctioned, though it was 16 months since he retired from service. On enquiry in the Excise Commissioner's office, it was found that the papers were being delayed in the office of the Deputy Commissioner, Shimoga District. The Deputy Commissioner was requested to submit the papers within ten days, or in failure thereof, to give proper explanation and also to furnish necessary information, if the case could not be disposed of at once, to enable the Comptroller, Mysore Government, to issue orders for the payment of anticipatory pension. The Deputy Commissioner reports that the delay was due to the incomplete statement of services given in Guru Rao's service register, and the necessity of verification of service in three districts—Shimoga, Mysore and Hassan.

2. Government regret to observe that the matter was delayed unreasonably in the office of the Deputy Commissioner of Shimoga. It was not before the lapse of more than 11 months (1st June 1901 to 27th May 1902), that the Deputy Commissioner sent the service register for verification to the Deputy Commissioner, Hassan District. The latter took 2 months (27th May 1902 to 19th July 1902) to reply to this reference, and a delay of nearly a whole month (19th July 1902 to 13th August 1902) again occurred in the Shimoga District office, before a further reference was made to the Deputy Commissioner, Mysore District. It is reported that no reply has yet been received from the Deputy Commissioner, Mysore.

3. Government deprecate the occurrence of such unnecessary delays in the disposal of applications for pension, and are pleased to direct again that such matters should be disposed of as expeditiously as possible, to prevent undue hardship to officers retiring from service. Any laxity in this respect will be viewed with displeasure.

L. ANANTASAMI RAO,
for *Secy. to Govt., Gen. & Rev. Depts.*

To—The Deputy Commissioners of Districts.
The Excise Commissioner in Mysore.
The Comptroller to the Government of Mysore.
The Other Heads of Departments.

READ—

Letter No. 167, dated the 14th November 1902, from the Senior Surgeon and Sanitary Commissioner with the Government of Mysore, submitting for sanction, with reference to Government Proceedings No. 6147-8—Mis. 985, dated the 23rd October 1902, a statement showing the particulars of establishment and other charges of the Female Dispensary, Kolar Gold Fields, which was opened on the 9th September 1902.

No. 11512-3—G. F. 26-94, DATED BANGALORE, 9TH FEBRUARY 1903.

ORDER THEREON.—The entertainment of the establishment proposed in the above at a cost of Rs. 49 per mensem, as also the purchase of furniture and medicines and appliances for Rs. 227 and Rs. 300, respectively, are sanctioned, the amount being debited to the provision of Rs. 1,115 made in the current year's Medical budget on account of the Kolar Gold Fields Female Dispensary under the head "18 Medical," sub-head "(8) Kolar Gold Fields Civil Hospital."

READ—

The Medical and Sanitary Report of Mysore for the calendar year 1901.

No. 11809—MIS. 1871, DATED BANGALORE, 13TH FEBRUARY 1903.

REVIEW THEREON.—The total number of births registered during the year under review was 83,267 showing a decrease of 3,017 over the figures for the previous year. The birth rate was 15·28 per mille on the Census population of 1901 as against 17·81 per mille in 1900.

2. The total number of deaths registered was 108,901 or 16,543 more than in the year previous. The death rate per mille of population was 19·98 against 19·07 in 1900, the increase having been chiefly due to malarial fevers, plague, cholera and small-pox as shown below.

3. The largest mortality was caused by fevers, and numbered 44,273, which was more than in the preceding year by 5,347.

4. There were 11,936 deaths from plague out of 16,279 cases, the Districts of Bangalore and Mysore suffering most, with 2,293 and 3,047 deaths, respectively. The mortality was heaviest in the month of December with 2,019 deaths and lowest in the month of May with 119 deaths.

5. Deaths from cholera numbered 11,351 against 779 in the previous year.

6. 6,477 deaths were reported under small-pox against 4,286 in 1900.

7. The sanitary works carried out during the year consisted chiefly of sinking and repairing wells; provision of water-supply; opening out new roads and repairing old ones; and construction of latrines, drains and tunnels.

H. V. NANJUNDAYYA,
Secy. to Govt., Gen. & Rev. Depts.

To—The Senior Surgeon and Sanitary Commissioner with the Government of Mysore.

READ—

The Report on the working of the Hospitals and Dispensaries in Mysore for the calendar year 1901.

No. 11810—MIS. 1870, DATED BANGALORE, 13TH FEBRUARY 1903.

REVIEW THEREON.—The number of hospitals and dispensaries in the State during the year 1901 remained the same as in the year previous, *viz.*, 134. The total number of both in-door and out-door patients treated was 1,025,838, of whom 477,487 were men, 229,631 women and 318,720 children. There was an increase of 2,325 in the number of in-patients and of 64,392 in that of out-patients over the figures for the preceding calendar year. The number of deaths among the 10,117 in-patients treated was 671 against 490 among 7,792 treated in 1900.

2. Cholera prevailed in all the districts of the State during the year under review. Deaths from cholera numbered 7,821 out of a total of 10,764 cases treated, *viz.*, 4,979 in the hospitals and dispensaries and 5,785 by the Medical officers and subordinates outside those institutions.

3. The number of deaths in the hospitals from small-pox was 3 out of 314 cases treated during the year against 2 out of 381 in the year previous.

4. Cases of fever treated during the year numbered 230,231 with 31 deaths against 207,659 with 31 deaths in 1900. Cases of eye diseases treated were 75,832 against 81,133 in the year preceding.

5. The number of surgical operations performed during the year was 17,405 or 5,960 more than in the year previous.

6. The total expenditure incurred on the hospitals and dispensaries was Rs. 3,27,105 against Rs. 2,18,264 in 1900, the increase of Rs. 1,08,841 being due to the opening of the Victoria Hospital at Bangalore and the Civil Hospital at Kolar Gold Fields. Contributions from Municipal and Local Funds amounted to Rs, 58,799. The percentage of total cost paid by Government was 83·88 against 77·31 in 1900.

7. The number of midwives on duty during the year was the same as that in the year previous, *viz.*, 89. The number of cases attended to by them was 4,423 of which 44 proved fatal. Seven pupil-midwives were under training in the Cities of Mysore and Bangalore.

EDUCATION.

Proceedings of the Government of His Highness the Maharaja of Mysore,

READ—

Letter No 4750—160, dated the 25th November 1902, from the Inspector General of Education in Mysore, submitting rules relating to the tenure of Medical and Engineering scholarships.

No. 11754-5—ED. F. 15-96, DATED BANGALORE, 12TH FEBRUARY 1903.

ORDER THEREON.—The rules, which seem suitable, are approved and will be appended to these Proceedings.

H. V. NANJUNDAYYA,
Secy. to Govt., Gen. & Rev. Depts.

To—The Inspector General of Education in Mysore.
The Comptroller to the Government of Mysore.

MEDICAL SCHOLARSHIPS.

1. As the course for the M. B. C. M. Examination extends over five years, and three scholarships are sanctioned every year, the number of scholarships in force at any time shall not exceed fifteen or the actual number of scholarships sanctioned in the last five years.

2. If a scholar fails in any of the periodical College or University Examinations, his scholarship shall cease from date of failure.

3. When a scholar fails in any of the periodical College or University Examinations for the first time, his scholarship may be renewed if there are vacancies in the number of scholarships sanctioned in the last five years.

4. When a scholar fails in the same periodical Examination a second time, he shall forfeit his scholarship.

5. When a scholarship is forfeited or lapses from any cause, it may be transferred to a deserving student on the recommendation of the Principal of the Medical College during the unexpired portion of the period for which the lapsed scholarship was first sanctioned.

ENGINEERING SCHOLARSHIPS.

1. As the course for an Engineering degree or diploma in the Madras College of Engineering extends over four years, inclusive of one year's practical course, and three Engineering scholarships are usually awarded every year, the number of scholarships in force at any time shall not exceed twelve or the actual number awarded in the last four years.

2. If a scholar fails in any of the periodical College or University Examinations, his scholarship shall cease from date of failure.

3. When a scholar fails in any of the periodical College or University Examinations for the first time, the scholarship may be continued if there is a vacancy among the scholarships sanctioned during the last four years.

4. When a scholar fails in the same periodical College or University Examinations for the second time, he shall forfeit his scholarship.

5. When a scholarship is forfeited or lapses from any cause, it may be transferred to a deserving student recommended by the Principal of the Engineering College during the unexpired portion of the period for which the lapsed scholarship was originally sanctioned.

READ—

Letter No. 6241—211, dated 20th January 1903, from the Inspector General of Education in Mysore, soliciting sanction to alter the date of birth of Hiriyannappa, Hobli School Master of Garani in the Maddagiri Taluk, from the 5th October 1883 to 23rd September 1884.

No. 11702-49—ED. 288, DATED BANGALORE, 12TH FEBRUARY 1903.

ORDER THEREON.—Government are unable to accede to the Inspector General's recommendation. They deprecate recommendations of the kind in question, which, in future, should only be sent up in exceptional and undoubted cases, with a full statement of facts and with the records connected therewith. The Head of the Department concerned, should himself go into the question, before sending it up to Government for orders. As a rule, the age once entered should not afterwards be altered.

H. V. NANJUNDAYYA,
Secy. to Govt., Gen. & Rev. Depts.

To—The Inspector General of Education in Mysore.
The other Heads of Departments.
The Deputy Commissioners of Districts.

READ—

The following letter No. 5770—195, dated the 9th January 1903, from the Inspector General of Education in Mysore.

I have the honor to inform you that a private school for the blind and deaf-mutes has been in existence at Mysore since October 1901 under the management of a Private Committee. It has been maintained with considerable difficulty from private subscriptions till now. There are 21 pupils on the roll at present, of whom 9 are blind and 12 are deaf-mutes. Of the pupils 16 are in indigent circumstances, and require the help of scholarships for their maintenance. The teaching of the blind is fairly satisfactory, 4 out of the 9 boys having reached the II Vernacular Standard. Besides reading, writing and arithmetic, the blind are taught to sing, to weave mats and to knit. The general education of the deaf-mutes is not satisfactory inasmuch as there is no teacher specially trained in the Science and Art of teaching deaf-mutes. A teacher trained in one of the large schools for deaf-mutes in Bombay and Calcutta has yet to be secured for the work. The deaf-mutes are taught something of drawing, carpentry, rattan work and clay-modelling in the Mysore Industrial School, and weaving in the Weavers' lines at Mysore.

2. As a tentative grant I recommend that Rs. 25 a month may be sanctioned from 1st January 1903, from the savings of Rs. 38 shown in my letter No. 5766—194, dated 9th January 1903. This grant will have to be increased shortly if the teaching has to be put on a satisfactory basis. In addition to this grant, the services of a teacher on Rs. 15 of the Mandimohalla Kannada Boys' School in Mysore, which has greatly suffered in strength on account of plague, have been lent to the school from January 1902, and he has done useful work in preparing and teaching Kannada readers on the Braille system.

No. 11907-8—ED. 294, DATED BANGALORE, 16TH FEBRUARY 1903.

ORDER THEREON.—**The grant-in-aid of Rs. 25 a month recommended for the private school for the blind and deaf-mutes at Mysore is sanctioned, as a tentative measure, with effect from the 1st January 1903, the charge being met from the savings indicated in Government Order No. 11905-6—Ed. 293, dated 16th February 1903.**

The Inspector General's action in having lent the services of a teacher on Rs. 15 of the Kannada Boys' School in Mysore to the school for the blind and deaf-mutes is approved.

JUDICIAL

Proceedings of the Government of His Highness the Maharaja of Mysore,

READ AGAIN—

Government Order No. 8021-5—J. 637, dated the 8th November 1902, directing the abolition of the Shimoga Jail and the establishment of a Lock-up at Shimoga in its place.

READ ALSO—

Letter No 1182—J., dated the 1st December 1902, from the Inspector General of Prisons in Mysore, submitting as called for in the above order a proposition statement showing the reduction in cost which will result from the conversion of the Shimoga Jail into a District Lock-up and a memo of alterations to be made in the Rules relating to Jails and Lock-ups.

No. J. 1197-1207, DATED BANGALORE, 12TH FEBRUARY 1903.

ORDER THEREON.—In lieu of the marginally noted establishment maintained at a cost of Rs. 260 per mensem for the Shimoga Jail, the Inspector General recommends that the following reduced establishment be sanctioned for the new District Lock-up at Shimoga, which will result in a saving of Rs. 199 per mensem :—

	Rs.
Superintendent's allowance	75
1 Jailor on Rs. 50-60	54
1 Assistant Jailor on Rs. 30	30
1 Chief Warder on Rs. 15-20	20
1 Assistant Warder on Rs. 10	10
1 Head Warder on Rs. 8	8
9 Warders at Rs. 7 each	63
Total ...	260

	Rs.
1 Dafadar on Rs. 12+4 (allowance)	16
3 Warders, 1st class, on Rs. 8 each	24
3 Warders, 2nd class, on Rs. 7 each	21
Total ...	61 per mensem.

The reduced establishment seems suitable and is accordingly sanctioned.

2. The Inspector General proposes, besides, that he be allowed a Record-keeper and typist on Rs. 25 and a peon on Rs. 8. This proposal should have been made the subject of a separate reference, and the Inspector General is requested therefore to address Government again on the question of increasing his own establishment, should there be absolute need for doing so. Pending such reference by him and the order of Government thereon, the Assistant Jailor may be kept on at Shimoga till the transfer referred to in para 3 *infra* is given effect to.

3. The necessary transfer of prisoners to the Bangalore Central Jail should be effected as soon as possible after the completion of the erection of sheds in the new extension ordered in Government Proceedings No. 8733-8—L. B. (P.) 387, dated the 21st November 1902.

4. The following alterations will be made in the Mysore Jail Manual and in the Rules applicable to Lock-ups :—

Mysore Jail Manual.

(1) Under Article 578 (B) the word "Shimoga" should be added before the word "Chitaldrug" so as to read as follows:—

"In the Bangalore, Kolar, Tumkur, Shimoga, Chitaldrug and Kadur Districts—to the Bangalore Central Jail";

and the words "in the Shimoga District—to the Shimoga Jail" should be omitted.

(2) The word "Shimoga" in Article 585 should be omitted.

Rules applicable to Lock-ups.

(1) The word "Shimoga" should be added before "Chitaldrug" and after "Tumkur" in clause (B), para 1 of Rule 44, so as to read as follows :—.

"In the Bangaloro, Kolar, Tumkur, Shimoga, Chitaldrug and Kadur Districts—to the Bangalore Central Jail."

(2) The words "in the Shimoga District—to the Shimoga Jail" should be omitted.

(3) The word "Shimoga" in para V of the same Rule should be omitted.

The Comptroller to the Government of Mysore.
All District Magistrates.
The Inspector General of Police in Mysore.

READ AGAIN—

Government Order No. 859-60, dated the 13th December 1902, sanctioning certain arrangements relating to the Judicial Department of the State.

Notification No. J. 991, dated the 3rd January 1903, sanctioning certain appointments, postings and transfers of Judicial Officers, with effect from the 9th January 1903.

No. J. 1212-13, DATED BANGALORE, 12TH FEBRUARY 1903.

ORDER THEREON.—The following will be the classification of Subordinate Judges:—

I. Mr. T. Paramasiva Iyer, B.A., to be in the 1st Class with a pay of Rs. 500 rising by annual increments of Rs. 50 to the maximum pay of the class, *viz.*, Rs. 600.

II. (1) Mr. P. Singarachar, (2) Mr. C. B. Seshagiri Rao and (3) Mr. V. A. Rajaratna Mudaliar (Registrar of the Chief Court) to be in the 2nd Class on Rs. 500.

III. (1) Mr. Mir Humza Hussain, B.A., B.L., and (2) Mr. S. Varadarajiengar to be in the 3rd Class on Rs. 450.

2. The following will be the classification of Munsiffs:—

I. Mr. C. Subba Rao to be in the 1st Class on Rs. 350.

II. (1) Mr. B. S. Krishnaswamiengar, B.A., B.L., (2) Mr. P. A. Sivaprakasam Pille, (3) Mr. J. Holt and (4) Mr. T. E. Jayaram Iyer, B.A., B.L., (supernumerary,) to be in the 2nd Class on Rs. 300.

III. (1) Mr. N. T. Gopaliengar, B.A., B.L., (2) Mr. T. S. A. D'Cruz, B.A., B.L., (3) Mr. S. Seshagiri Rao, (4) Mr. K. Mylari Rao, B.A., B.L., and (5) Mr. Ananda Rao Sirsi, B.A., B.L., to be in the 3rd Class on Rs. 250.

IV. (1) Mr. M. L. Sreekantesha Gowda, B.A., B.L., (2) Mr. K. Lakshminaraniah, B.A., (3) Mr. T. Krishna Iyengar, B.A., B.L., (4) Mr. S. Krishna Rao, B.A., B.L., (5) Mr. A. Narasimhiengar, B.A., B.L. and (6) Mr. T. Venkoba Rao, B.A., B.L., to be in the 4th Class rising from Rs. 150 to Rs. 200 after two years' approved service.

3. Munsiffs in the 1st Class on Rs. 350 and those in the 2nd Class on Rs. 300 will rank as graded officers along with Assistant Commissioners and Subordinate Judges.

4. The above classifications of officers will have effect from the 9th January 1903.

H. V. NANJUNDAYYA, *Secy. to Govt., Gen. & Rev. Depts.*

To—The Registrar of the Chief Court of Mysore.
The Comptroller to the Government of Mysore.

READ—

Report on the Administration of Jails and Lock-ups in the Mysore State for the calendar year 1901, forwarded with letter No. 571—J., dated 1st May 1902, (but received on the 11th June 1902) from the Inspector General of Prisons in Mysore.

No. J. 1239, DATED BANGALORE, 17TH FEBRUARY 1903.

REVIEW THEREON.—There were 1,178 prisoners of all classes at the beginning of the year under review. Adding thereto 4,124 convicts, 4,318 under-trial and 34 civil prisoners admitted during the year, the total Jail population amounted to 9,654 prisoners. 4,094 convicts, 4,365 under-trial and 34 civil prisoners were discharged, leaving 1,161 prisoners at the end of the year. The daily average number of prisoners has increased during the last four years from 1,040·48 to 1,215·61 as shown below:—

Year.	Average daily strength.
1898-99	1,040·48
1899-1900	1,011·26
1900 (calendar)	1,130·37
1901 (do)	1,215·61

Notwithstanding this progressive increase in numbers, there was no overcrowding of prisoners anywhere and a separate Lock-up building has recently been

ordered to be constructed at the Kolar Gold Fields, where the existing accommodation was felt to be insufficient.

2. Of the 3,343 convicts admitted during the year, 350 or 10·47 per cent were recommittals as against 7·02 per cent during the last year.

3. Eleven convicts and two under-trial prisoners escaped during the year; and 11 including two, who had escaped in previous years, were recaptured. The guards who were responsible for the escapes are reported to have been duly punished.

4. There was a noticeable increase amongst the juvenile prisoners, the number admitted during the year being 79 as against 23 in the year previous.

5. The number of prison offences increased from 292 to 448. The reason for this increase has not been stated. Corporal punishments were inflicted in 25 cases as against 11.

6. The number of releases under the Mark Rules was 203 as against 160 during the previous year.

7. The total expenditure incurred for the up-keep of prisoners amounted to Rs. 1,12,244 or Rs. 1,059 more than in the preceding year, while the total cost per head of average strength decreased from Rs. 100-2-1 to Rs. 92-5-4. This decrease is reported to be chiefly due to the increase in the Jail population during the year under review. Government hope that with the abolition of the Jail at Shimoga, which has been recently ordered, the cost will be still further reduced. Deducting from the total expenditure the cash profits on manufacture etc., which amounted to Rs. 18,739, the total net cost was Rs. 93,505, which works out at Rs. 76-14-9, per head of average strength as against Rs. 84-11-0, during the last calendar year.

8. Turning next to the health of the prisoners, it is observed that the number of admissions to hospital was greater than in the previous year and that the daily average number of sick was 20·70 as against 18·19. The ratio of death per *mille* of average strength was 20·56 as against 11·7; the increase is reported to be due to the prevalence of influenza, small-pox and chicken-pox in the Bangalore Central Jail and to a few cases of plague in the Mysore Jail.

H. V. NANJUNDAYYA, *Secy. to Govt., Gen. & Rev. Depts.*

To—The Inspector General of Prisons in Mysore.

READ—

Letter No. 3387-126, dated 3rd December 1902, from the Registrar of the Chief Court of Mysore, submitting the report on the Administration of Criminal Justice in Mysore, during the year 1901-02.

No. J. 1300, DATED BANGALORE, 23RD FEBRUARY 1903.

ORDER THEREON.—Recorded.

2. The average duration of appeals in the Chief Court decreased from 37·65 days in 1900-01 to 34·89 days, and in the Courts of Sessions from 18·79 to 14·88 days. In the Courts of Magistrates, however, the duration of appeals rose from 13·97 to 26·62. This is not satisfactory.

3. It is worthy of note that in the Courts subordinate to the Chief Court, no fewer than 62·99 per cent of the persons brought to trial were acquitted or discharged, only about 30·5 per cent being convicted. This excess of acquittals and discharges over convictions, which was particularly marked in the case of offences affecting the person, was chiefly due to the fact that many of the offences were of a petty nature, such as assault and hurt, which were either compounded or not prosecuted to conviction. In the case of offences affecting property, the disproportion is not so large, while in the case of offences under special and local laws, the convictions largely preponderate.

4. There has been a slight decrease in the number of heinous offences under the Indian Penal Code as compared with the figures of 1900-01, the decrease being chiefly under "theft."

5. In the Chief Court as a Court of Sessions for the Nandidrug Division, 26 cases were tried by Jury, whose verdict was accepted in all those cases; and 40 were tried with the aid of assessors, the Judge differing from one assessor in three cases and from both assessors in seven cases. In the other Sessions Courts, out of 69 cases tried with the aid of assessors, the presiding Judges agreed with the assessors in 54 cases, differed from one assessor in 5 cases and from both assessors in 10 cases.

6. The average duration of Sessions cases disposed of rose from 1·77 to 2·89 days in the Chief Court, but decreased from 7·21 to 3·9 in the subordinate courts.

7. As many as 24 cases involving 29 European British subjects as accused persons were tried during the year by Justices of the Peace: the number during the preceding year was 5 cases involving 5 persons. Convictions were obtained in 6 cases involving 8 persons, all in the Kolar District, the remaining cases having ended in acquittal or discharge.

8. It is a satisfactory feature of the year under review, that the preventive jurisdiction vested in Magistrates was more largely availed of; and 140 persons, or nearly twice as many as in the previous year, were ordered to give security for keeping the peace or for good behaviour, 103 of these being imprisoned in default of giving security.

9. The other particulars in the report call for no remarks.

H. V. NANJUNDAYYA,
Secy. to Govt., Gen. & Rev. Depts.

To—The Registrar of the Chief Court of Mysore.

READ—

Letter No. 3063—226, dated the 12th January 1903, from the Inspector General of Police in Mysore, stating in reply to para 4 of Government Proceedings No J. 727, dated the 25th November 1902, that a statement similar to Statement No. II showing the number of licensed dealers in sulphur may be adopted in regard to saltpetre as suggested by the Chief Inspector of Explosives, and submitting a sample form for approval.

No. J. 1314—23, DATED BANGALORE, 26TH FEBRUARY 1903.

ORDER THEREON.—Government are pleased to approve of the appended form in regard to sales of saltpetre, and to direct its adoption in addition to the forms prescribed in Official Memorandum No. 16413-21—J. 1642, dated the 15th June 1898.

H. V. NANJUNDAYYA,
Secy. to Govt., Gen. & Rev. Depts.

To—The Inspector General of Police in Mysore.

The Chief Inspector of Explosives and Secretary to Government, Geological Department.

The District Magistrates.

Judicial, dated 28th February 1903.

READ—

Letter No. 457, dated the 22nd November 1902, from the Inspector General of Registration in Mysore, submitting the Report on the working of the Registration Department in the State during the year 1901-02.

No. J. 1331, DATED BANGALORE, 28TH FEBRUARY 1903.

ORDER THEREON.—During the year under review four new Special Sub-Registry offices were opened as a tentative measure for one year at the places named in the margin.

1. Chiknayakanhalli, Tumkur District.
2. Alur, Hassan District.
3. Harihar, Chitaldrug District, and
4. Honnali, Shimoga District.

2. The number of documents registered during the year was 59,073 as against 64,681 in the last year thus showing a decrease of 8·5 per cent, explained to be chiefly due to the prevalence of plague in almost all the districts. The number of wills registered increased from 372 to 410.

3. The gross receipts of the Department amounted to Rs. 1,17,461 or Rs. 7,685 less than in the previous year, while the total expenditure increased slightly from Rs. 74,334 to Rs. 74,731. The surplus in favor of the Department at the end of the year under review was accordingly Rs. 42,730 as against Rs. 50,812 in the last year.

4. There were two criminal prosecutions for false personation during the year and both of them ended in the conviction of all the accused persons concerned.

5. The Inspector General of Registration inspected during the year ten Sub-Registry offices and one District Registrar's office. The inspection work of the Registrars of Districts other than Bangalore and Mysore was satisfactory; more frequent inspections both by the Inspector General and by District Registrars, are in the opinion of Government desirable.

H. V. NANJUNDAYYA,
Secy. to Govt., Gen. & Rev. Depts.

To—The Inspector General of Registration in Mysore.

LOCAL FUNDS

Proceedings of the Government of His Highness the Maharaja of Mysore,

READ—

Letter No. 672, dated 17th December 1902, from the President, District Fund Board, Kolar Local Fund Circle, re-submitting the supplemental District Fund budget estimates of the Kolar Local Fund Circle for 1902-03, as called for in this office No. 9730—L. F. 2-02, dated the 10th idem, and the list of incomplete works for Rs. 14,721-9-2.

No. 12180-5—L. F. 2-02, DATED BANGALORE, 21ST FEBRUARY 1903.

ORDER THEREON.—The supplemental grants proposed are specified hereunder:—

Details.	Originally sanctioned.	Increase proposed.	Estimate as proposed to be revised.
	Rs.	Rs.	Rs.
1. Opening Balance	15,748	27,347	43,095
Expenditure—			
A. Public Works—			
1 Original works	7,500	3,808	11,308
3 Establishments	6,543	665	7,208
4 Tools and plant	200	19	219
B. Public Works—			
1 Original works	7,411	14,722	22,133
2 Repairs	4,245	1,000	5,245
3 Establishments	1,165	1,572	2,737
C. Civil Charges—			
II. Medical scholarships	607	300	907
V. Sweepers for travellers' bungalows	4,679	500	5,179

2. *Opening Balance.*—The increase proposed is in accordance with the actual balance in favor of the District Fund Board on 1st July 1902, as per Comptroller's account for 1901-02, and the estimate will therefore be retained.

EXPENDITURE.

3. *A. Public Works.—1. Original Works.*—The supplemental grant proposed under this head is on account of the appropriation required for the marginally noted works which are stated to have been undertaken by the Executive Engineer. It is presumed that this was done with the concurrence of the Board and the provision is therefore passed.

	Rs.
1. Constructing tunnels on Chintamani-Chelur road	2,000
2. Metalling bad portions of Mulbagal-Goribidnur road	1,000
3. Diverting stream on 4 and 5—22 of Chintamani-Chelur road	734
4. Converting rear verandah of travellers' bungalow at Chintamani into a room.	74
Total ...	3,808

A. Public Works.—Tools and Plant.—The correct amount that has to be provided for tools and plant at half per cent on the provision for works is Rs. 205 and not Rs. 219 as proposed. The former figure will be adopted in the present budget.

B. Public Works.—The increase provided under "1. Original Works" is for the completion of incomplete works of the previous year costing Rs. 14,721-9-2, as per details given in the list of incomplete works, submitted by the President and that under "2. Repairs" is on account of the cost of supplemental estimates for drinking water wells already sanctioned. The increases referred to as well as corresponding increase for supervision charges are passed.

Civil Charges.—The additional grant of Rs. 200 proposed under "2. Medical scholarships" is in accordance with Proceedings No. 5095-105—L. F. 99-96, dated 29th September 1902, and that under "5. Sweepers for travellers' bungalows and musafirkhanas" is due to the additional allotment required for the furniture of 3rd class travellers' bungalows. The provisions are allowed.

The budget estimates of the Kolar Local Fund Circle for 1902-03, as now revised, are as shown below. The usual particulars are appended:—

			Rs.
(1) Estimated income	...	...	76,780
(2) Balance on 1st July 1902	...	...	43,095
Total including Balance		...	1,19,875
Expenditure—	Rs.		
A. Public Works	... 48,608		
B. Ditto	... 30,215		1,04,747
C. Civil charges	... 25,924		
Closing Balance		...	15,128

As the closing balance is less than the prescribed minimum by Rs. 4,067, the President is requested to effect savings under the sanctioned items and maintain the usual working balance.

H. V. NANJUNDAYYA,
Secy. to Govt., Gen. & Rev. Depts.

READ—

Letter No. 256—38, dated 15th September 1902, from the President of the District Fund Board, Shimoga Circle, submitting the revised District Fund budget estimates of the Shimoga Local Fund Circle for 1902-03.

No. 12186-9—L. F. 8-02, DATED BANGALORE, 21ST FEBRUARY 1903.

ORDER THEREON.—The variations proposed in the revised budget are given below :—

EXPENDITURE.	Original estimate.	Variation proposed.	Total.
	Rs.	Rs.	Rs.
A. Public Works	59,708	+3,967	63,675
B. Ditto	9,750	+11,331	21,081
C. Civil Charges	17,933	—56	17,877
Total ...	87,391	15,242	1,02,633

2. *Opening balance.*—The estimated balance of Rs. 20,201 entered under this head in the original budget will be raised to Rs. 38,902, which is the correct balance on 1st July 1902 as per accounts of the Comptroller.

EXPENDITURE.

	Rs.
I. Original Works—(1) Constructing a damaged bridge at 3—45 mile of Chitaldrug-Benkipur road.	710
(2) Ditto at 4—44 mile of Chitaldrug-Benkipur road	1,550
Total ...	2,260
II. Repairs—increased allotment for the maintenance of Anantapur-Tirthahalli road.	660
III. Incomplete works of previous years	1,047
Total ...	3,967

3. *A. Public Works to be executed by the Public Works Department.*—The increase proposed under this head is for the marginally noted purposes.

4. Item I is approved as the works for which the same is required appear urgent. But it should be reported why the lump-sum estimate of Rs. 1,600 included in the original budget for unforeseen works, should not be struck out so as to maintain the usual working balance.

5. *Item II Repairs.*—The increased allotment of Rs. 660 for the maintenance of Anantapur-Tirthahalli road will be disallowed, as the increased rate of mileage allotment for the road has been ordered to be provided for not in the current year but with effect from 1903-04 (*vide* Proceedings No. 5394-6—L. F. 8-02, dated 4th October 1902).

6. *Item III.*—The supplemental grant proposed for the completion of incomplete works during the current year, is sanctioned.

7. Owing to the increased provision for works, the allotment for supervision charges will be raised from Rs. 8,855 to Rs. 9,434.

8. *B. Public Works to be executed by the Revenue Department.*—The increase provided under this head for the marginally noted works, is approved. But as no corresponding increase is provided for supervision charges, the estimate under "III. Establishments" will be raised from Rs. 1,150 to Rs. 1,983.

		Rs.
1.	Maintenance of Nyamti-Arundi road	25
2.	Ditto Ulve-Kadasur road	100
3.	Ditto cart-track from Siralkoppa to Chikkeruru	100
	Total ...	225
	Incomplete works of previous years	11,106
	Grand Total ...	11,331

C. CIVIL CHARGES.

9. *III. Hospitals and Dispensaries.*—The decrease of Rs. 140 is due to the discontinuance of the allowances to Hospital Assistants for visiting places away from their head-quarters, under Government Proceedings No. 15711-20—L. F. 144-92, dated 21st March 1892, and the provision will be allowed to stand.

10. *V. Sweepers for Travellers' Bungalows, etc., and VI. Conservancy.*—The increase of Rs. 84 under these heads, on account of the pay of a sweeper to look after the conservancy of the village of Anantapur, and increase to the pay of the care-taker of the Agumbi musafirkhana from Rs. 5 to Rs. 7 per mensem, sanctioned in Government Proceedings No. 17749-50—L. F. 2-97 and No. 18601-2—L. F. 74-94, dated respectively 6th and 25th May 1902, is passed. It is noted that a sum of Rs. 200 provided in the original budget under the head " X. Miscellaneous " for vessels to musafirkhanas, is properly transferred to this head, corresponding reduction being made under the former head.

11. The estimated receipts and expenditure of the Shimoga Local Fund Circle for 1902-03, as now revised, are as shown below.

The usual particulars are appended.

		Rs.
1.	Opening balance on 1st July 1902	38,902
2.	Estimated receipts for 1902-03	84,836
	Total including balance ...	1,23,738

EXPENDITURE.

		Rs.	
3.	A. Public Works to be executed by Public Works Department.	63,594	1,03,385
	B. Ditto by Revenue Department ...	21,914	
	C. Civil charges	17,877	
	Closing balance		20,353

This is slightly less than the prescribed minimum balance, and every endeavour should be made to secure that minimum by such savings in sanctioned items as might be found feasible.

L. B. B.—MUNICIPAL

Proceedings of the Government of His Highness the Maharaja of Mysore,

READ—

Statement of Municipal meetings held in the several Municipalities of the Mysore District during the month of October 1902, received with the President's letter No. 575, dated the 12—16th January 1903.

No. 11460-7—L. F. 42-97, DATED BANGALORE, 6TH FEBRUARY 1903.

ORDER THEREON.—Recorded with the observation that Government are not satisfied as to the sufficiency of the reason assigned for meetings not having been held at Saligram, Mirle, Talkad, Mandya, Melkote and French Rocks during the month. Neither the absence of the Amildar on other duty nor the prevalence of plague is an adequate justification for non-observance of Rules in such cases.

H. V. NANJUNDAYYA,
Secy. to Govt., Gen. & Rev. Depts.

To—The President of Municipalities, Mysore District.
The Presidents of Municipalities of other Districts.

READ—

Letter No. 720, dated the 13th January 1903, from the President of the Municipalities in the Kolar District, stating, with reference to para 2 of Government Proceedings No. 7058-65—L. F. 102-93, dated 8th November 1902, that the said order has been circulated among the Sub-Division Officer and Assistant Commissioners of the district for issue of necessary orders to the Amildars for the preparation of a map for each Municipality, and that on receipt of the maps, they will be submitted.

No. 11554-61—L. F. 102-93, DATED BANGALORE, 10TH FEBRUARY 1903.

ORDER THEREON.—Recorded with the remark that the preparation of the maps should be expedited and that three copies should be made for distribution as follows:—

(1) For use in the Municipal office concerned,
(2) For use in the office of the President, and
(3) For use in the Dewan's Office.

H. V. NANJUNDAYYA,
Secy. to Govt., Gen. & Rev. Depts.

To—The President of the Municipalities in the Kolar District.
The Presidents of Municipalities in other districts.

READ—

(I) Letter No. 205, dated the 28th August 1902, from the President of the Municipal and District Fund Boards, Bangalore District.

(II) Letter No. 369, dated the 3rd October 1902, from the President of the Municipal and District Fund Boards, Kolar District.

(III) Letter No. 201, dated the 4th October 1902, from the President of the Municipal and District Fund Boards, Kadur District.

(IV) Letter No. 242, dated the 16th November 1902, from the President of the Municipa and District Fund Boards, Hassan District.

(V) Letter No. 496-66, dated the 30th November 1902, from the President of the Municipal and District Fund Boards, Shimoga District.

No. 12014-21—L. F. 320-96, DATED BANGALORE, 18TH FEBRUARY 1903.

ORDER THEREON.—During the year 1900-01 the supervision charges on Municipal District Fund and Local Funds General works undertaken by the Revenue Department exceeded 10 % of the expenditure incurred on them in the Bangalore, Kolar, Hassan, Shimoga and Kadur Districts, and the Presidents concerned, who were asked in Government Proceedings No. 2448-57—L. F. 320-96, dated the 20th August 1902 to explain why the excess charges were incurred and why the same should not be recovered, have submitted their explanations.

2. The President of the Bangalore Local Fund Circle explains that the excess was due to the fixed pay that was and is being allowed to the Work Inspectors and to the low expenditure on works, while the President of the Kolar Local Fund Circle states that it was due to bills for works executed having been received after the close of the official year; so also the President of the Shimoga Local Fund Circle states that, as the Work Inspectors are paid fixed pay, it is not practicable to limit the supervision charges to 10 % of the works and that every effort will be made to see that the work turned out by those Work Inspectors bears a fair ratio to their emoluments. The President of the Kadur Local Fund Circle does not explain why the supervision charge exceeded the prescribed limit in 1900-01, but states that the same for the three years from 1898-99 to 1900-01 put together was less than 10 %. He also adds that supervision charge has far exceeded 10 % in 1901-02 owing to the prevalence of the plague in several taluks in the Kadur District. Lastly the President of the Hassan Local Fund Circle explains that the excess was due to the poor finances of the District Fund Board, to the withholding of grants or to the late sanction accorded by Government to the grant of Funds from Local Funds General for rural sanitation, to well works being brought to a stand-still owing to rocks in the beds of wells, to the delay caused by raiyats in executing earthwork to certain works, and to the provisions for works in certain Municipalities having been appropriated for the payment of compensation for the acquisition of certain properties in them for effecting sanitary improvements as a plague preventive measure.

3. The President of the Bangalore Local Fund Circle states that one Work Inspector for two taluks would be sufficient, the Work Inspectors looking after the duties of each taluk one after another for a month by turns.

4. The President of the Hassan Local Fund Circle states that he drew away the Work Inspector of the Manjarabad Taluk and employed him on some other work, and dispensed with the services of the Work Inspector attached to the Hole-Narsipur Taluk, probably to keep the supervision charges as low as possible.

5. The correspondence read above is recorded with reference to Government Proceedings No. 9682-91—L. F. 320-96, dated the 9th December 1902, and with the observation that the existing arrangements may continue till the end of June 1903, as the arrangement proposed by the Deputy Commissioner of Bangalore is not likely to work satisfactorily, and that, as far as possible, the cost of establishment should be kept within the prescribed limit calculated upon the cost of works, *viz.*, 10 per cent.

H. V. NANJUNDAYYA,
Secy. to Govt., Gen. & Rev. Depts.

To—The Presidents of Municipal and District Fund Boards in the Bangalore, Kolar, Hassan, Shimoga and Kadur Districts.

The Presidents of Municipalities in the other Districts for information.

READ—

Letter No. 603, dated 6th December 1902, from the President of the Municipalities in the Kolar District, submitting a statement of Municipal incomplete works of the previous year together with supplemental budgets for 1902-03 of the marginally noted Municipalities in the district, providing funds for the same and some other items.

1. Bowringpet.
2. Srinivaspur.
3. Mulbagal.
4. Sidlaghatta.

Total ...	+5,631	137	108	2,886	135	+3,266

2. *Opening Balance.*—It is observed that no explanation has been furnished for the variations in the estimates under this head, nor have the revised estimates been shown in their proper columns in the budget statements. The estimate already sanctioned and the modifications now proposed should have been shown in columns 3 and 5 intended for the purpose, the difference between the two being shown in the intermediate column No. 4 with explanatory remarks appended against each. The recurrence of such omissions and mistakes should be avoided in future. The closing balances for 1901-02 as given in the Comptroller's final accounts will be adopted as the opening balances for 1902-03.

EXPENDITURE.

3. *III. Collection.*—The additional grants provided in the budgets of Bowringpet and Goribidnur are stated to be needed for the commission due to the village servants for collecting Mohatarfa and Octroi taxes respectively, during the year 1901-02, and are passed.

4. *Conservancy (a) Establishment.*—The budgets of Chikballapur and Bagepalli provide for the increased rates of salaries of the servants referred to in Proceedings No. 1363-4—L. F. 14-02, dated 23rd July 1902, and No. 8087—L. F. 14-02, dated 11th November 1902, and are allowed to stand.

5. *VIII. Public Works.*—The budget of Chikballapur makes a provision of Rs. 2,000 under this head for the construction of a Town Hall, and the budgets of Srinivaspur, Bowringpet and Mulbagal provide for incomplete works of the previous

year, with the usual addition of ten per cent on account of supervision charges. It is observed that the correct total cost of the incomplete works of the Mulbagal Municipality and of supervision charges comes to Rs. 155 and Rs. 141 respectively, and not Rs. 165 and Rs. 137 as erroneously entered in the supplemental budget. The provisions will accordingly be reduced to Rs. 296. Moreover the estimates of Rs. 250 already sanctioned in the same budget is for "(*g*) Water-supply, repairs" and not for "(*f*) Water-supply, original" as has been shown in the revised budget. The necessary correction will be made in this office.

	Proposed. Rs.	Sanctioned. Rs.
Incomplete works ...	165	155
Supervision charges ...	137	141
Total ...	302	296

6. X. *Education.*—In accordance with Government Proceedings No. 5314-6—L. F. 53-99, dated 3rd October 1902, the present budget of Sidlaghatta provides an additional grant of Rs. 135 on account of school charges payable by the Municipality. This is allowed.

7. The budget estimates of the seven Municipalities in the Kolar District for 1902-03 are sanctioned as shown below. The usual particulars (with the list of incomplete works now sanctioned) are appended :—

Municipalities.	Opening balance.	Receipts.	Total including balance.	Expenditure.	Closing balance.

READ—

The Demand, Collection and Balance statements for the several Municipalities in the State for the quarter ending 30th June 1902.

No. 13005-15—L. F. 44-1901, DATED BANGALORE, 24TH FEBRUARY 1903.

ORDER THEREON.—The following statement exhibits the demand, collection and balance under the head "Municipal Revenue" for the quarter ending 30th June 1902:—

Serial No.	Municipalities.	Number of Municipalities.	Balance on 1st April 1902.	Demand for the quarter.	Total including balance.	Collection during the quarter.	Balance at the end of June 1902.	Percentage of balance to total demand for the quarter.
			Rs.	Rs.	Rs.	Rs.	Rs.	
1	Bangalore City	1	62,058	1,08,584	1,70,642	43,513	1,27,129	74·5
2	Bangalore District... ...	16	754	21,943	22,697	20,600	2,097	9·24
3	Mysore City	1	21,188	56,440	83,628	29,340	54,288	64·92
4	Mysore District	25	19,740	28,319	48,059	20,594	27,465	57·15
5	Kolar do	11	4,792	23,614	28,406	18,552	9,851	34·69
6	Tumkur do	18	3,036	17,877	20,973	18,316	2,657	12·67
7	Hassan do	14	5,352	18,090	23,442	15,775	7,667	32·7
8	Shimoga do	14	11,243	15,441	26,684	17,594	9,090	34·07
9	Kadur do	9	16,060	16,213	32,273	21,452	10,821	33·53
10	Chitaldrug do	15	1,993	18,534	20,437	20,087	350	1·71
	Total ...	124	1,52,186	3,25,055	4,77,241	2,25,823	2,51,418	52·68

2. From the above it appears that the total demand including the uncollected arrears of previous quarters was Rs. 4,77,241, of which Rs. 2,25,823 was collected, eaving a balance of Rs. 2,51,418 to be collected at the end of the quarter.

3. The percentage of outstandings to the total demand at the end of June 1902 in the Municipalities of the several Districts and the Cities of Bangalore and Mysore is as given below and is contrasted with that at the end of March 1902:—

	Municipalities.	Percentage at the end of— March 1902	June 1902.
1.	Bangalore City	60·06	74·50
2.	Bangalore District	5·49	9·24
3.	Mysore City	45·25	64·92
4.	Mysore District	54·01	57·15
5.	Kolar do	27·60	34·69
6.	Tumkur do	17·84	12·67
7.	Hassan do	43·46	32·70
8.	Shimoga do	48·79	34·07
9.	Kadur do	60·09	33·53
10.	Chitaldrug do	10·38	1·71
	Total percentage ...	46·28	52·68

From the above it is clear that the percentage of outstandings at the end of June 1902 is more than that at the end of March 1902, in the Bangalore and Mysore Cities and in the Municipalities of the Bangalore, Mysore and Kolar Districts. The Presidents are requested to see that steps are taken for the collection of all recoverable items as early as possible and to submit for the orders of Government as called for in Proceedings Nos. 14635-42—L. F. 44-01, dated 5th March 1902 and 4852-60—L. F. 44-01, dated 25th September 1902, a statement of irrecoverable arrears to be written off the accounts. It is noted that the arrears in the Municipalities of Bangalore and Mysore Cities, whose finances are far from satisfactory as well as in the Municipalities of the Mysore District are very heavy and demand early attention.

H. V. NANJUNDAYYA, *Secy. to Govt., Gen. & Rev. Depts.*

To—The Presidents of Municipalities in the State with detailed statements.
The Comptroller to the Government of Mysore with do.

Comparative statement showing Demand, Collection and Balance of Municipal Funds for April, May and June 1902.

Receipts.

2. (*l*) *Octroi.*—It is observed that the articles subject to Octroi duty have not been arranged under the usual classification. This omission should be avoided in future.

(*a*) Class I.—The increase of Rs. 190 under dry cocoanuts is based partly on the actuals (Rs. 1,882) of the previous year and partly on the flourishing trade in this commodity. The estimate is passed.

(*b*) Classes IV, VI and VII.—The increased estimates under timber, horse gram and piece-goods are justified by the actuals of 1901-02 and are sanctioned.

3. *III License Receipts.*—The diminished estimate of Rs. 15,000 under "(*a*) Liquor shops" which is stated to have been based upon the actual collections of the past two years 1900-01 and 1901-02, is allowed; but the cause of decrease under "(*b*) Other licenses" has not been explained. The estimate will, however, be retained.

4. *VII Mohatarfa.*—The diminished demand under "(*a*) Shop tax" and "(*c*) Oil-mills" accounts for the decrease under this head, which is retained.

5. *Tolls.*—There has been a nominal fall of revenue under "Tolls" from Rs. 21,000 to Rs. 15,300. The latter figure, which represents the amount for which the right to collect tolls has been sold for the current year, will be retained. The abolition of the establishment hitherto maintained for this purpose at a cost of Rs. 5,700 accounts for this decrease.

6. *X Miscellaneous.*—The variations under the sub-heads "(*a*) Sale of lands," "(*d*) Pounds," "(*e*) Land Revenue" and "(*f*) School fees" should be explained, and details under "(*m*) Contribution" should be furnished. Pending information the estimate will stand.

7. *Opening Balance.*—The estimate under this head will be raised from Rs. 4,763 to Rs. 23,776, which has been ascertained to be the approximate balance on 1st July 1902.

Expenditure.

8. *II Head Office.*—The decrease of Rs. 1,244 under this head is due to the omission of the provision of Rs. 1,800 on account of the President's allowance and to the revision of the scale of establishments and slight alterations under other items noted in the margin, as recommended by the Sub-Committee appointed for the investigation of the state of the Board's finances and for the submission of proposals regarding its improvement and having regard to the remarks made in the 2nd para of the explanatory memo under "II. Head Office" that the reduced scale of pay of the Head Accountant will have to be brought into effect in the case of the present incumbent's successors as he has already been drawing the original pay of Rs. 60, the provision for the Head Accountant's pay is raised by Rs. 120, the total estimate under this head being retained at Rs. 11,536 subject to the submission of a separate reference on the question of revision of establishment in the Head Office.

Decrease.	Rs.	Increase.	Rs.
President's allowance ...	1,800	Vice-President's allowance ...	600
Head Accountant ...	120	Clerks 2 at Rs. 18 ...	432
Clerk	180	Do 1 at Rs. 12 ...	144
Orderlies	42	Dafadar's pay ...	12
Furniture	590	Printing charges ...	300
Total ...	2,732	Total ..	1,488

9. *III Collection, (a) Octroi.*—The abolition of the special establishments maintained for the collection of tolls, which has now been leased out on contract, accounts for the decrease of Rs. 1,138 under this head, which is passed.

10. *III Collection, (b) House and Mohatarfa Taxes.*—An increase of Rs. 222 is provided under this head for the entertainment of an additional distraining officer on Rs. 18 per mensem and slight increase in other items as recommended by the Sub-Committee. The increase proposed will be retained, subject to the submission of a separate reference on the subject.

11. *IV Conservancy, (a) Establishment.*—Against the sanctioned provision of Rs. 31,812, the present budget provides under this head Rs. 29,412 in accordance with the recommendations of the Sub-Committee. Pending the receipt of a separate reference, which the President is requested to submit, the provision will be retained.

12. *IV Conservancy, (b) Other Charges.*—The Sub-Committee recommend the reduction of the conservancy carts from 30 to 18 at Rs. 15 each per mensem. Instead of making such a large reduction under this head, provision is made for the retention of 25 carts, subject to a detailed report as to how the said carts are employed in the various parts of the City.

13. *VI Health Department, (a) Health Office.*—The provision of Rs. 4,200 sanctioned for 1901-02 is proposed to be reduced by the Sub-Committee to Rs. 3,240. This figure will be adopted in the present budget.

14. *VI (b) Registration of Births and Deaths.*—The details of the sanctioned provision under this head for 1901-02 and of the estimate as proposed by the Sub-Committee and Health Officer are given below in juxta position:—

Items.	Estimate for 1901-02.			Estimate for 1902-03.					
				As proposed by Sub-Committee.			As proposed by Health Officer.		
	No.	Rate.	Amount.	No.	Rate.	Amount.	No.	Rate.	Amount.
			Rs.			Rs.			Rs.
1. Registrars' allowance ...	7	20	1,680	...	...	...	6	20	1,440
2. Sub-Registrars	14	12	2,016	7	12	1,009	12	12	1,728
3. Midwives	7	20	1,680	...	...	...	6	20	1,440
4. Peons	14	7	1,176	7	7	588	12	7	1,008
5. Contingencies	7	10	840	7	1	84	6	5	360
Total ...	...	...	7,392	...	...	1,680	...	...	5,976

Pending the receipt of a separate reference and issue of orders thereon in regard to the necessity for granting allowances to the 6 Registrars, and the employment of 5 Sub-Registrars, 6 Midwives and 5 peons, proposed by the Health Officer in excess of the recommendations of the Sub-Committee, the provision of Rs. 5,976 will be provisionally retained.

15. *VI (c) Burial ground watchmen.*—The provision of Rs. 2,760 made by the Sub-Committee under this head, as in 1901-02, will be retained.

16. *VII Lighting.*—The reduction in the rate of lighting each lamp by contract and the number of new lamps to be purchased during the current year chiefly accounts for the decrease of Rs. 1,400 under this head, which is allowed; but the number of existing lamps in the town, the cost of lighting each of the new lamps and the cost of the purchase thereof should have been furnished. The omission should now be supplied. Pending information the provision will stand.

17. *VIII Public Works, (a) Supervision.*—The decrease under this head is due to the reduction of the scale of pay of the Municipal Executive Engineer from Rs. 150 +20 to Rs. 80+20 and the abolition of the post of the Municipal Overseer on Rs. 50 +15 as well as to the reduction under some other minor items. Pending the receipt of a separate reference on the subject and issue of orders of Government thereon, the sanctioned estimate (Rs. 6,086) for 1901-02 will be repeated in the present budget.

18. *VIII Public Works (a) (3) Water-supply, repairs.*—Under this sub-head also the usual provision of Rs. 168 on account of the salaries of the "Dharmambudi tank-feeder channel watchman" and toti will be allowed.

19. *VIII Public Works (b) to (o) Works.*—The provision made for works is approved, subject to the submission to Government of estimates for works costing Rs. 500 and upwards. To meet the cost of widening a portion of the main drain of the City, the President applied for a loan of Rs. 8,000 in his No. 129, dated 7th of

November 1902. As the work in question seems to be as important as it is urgent and no loan is really called for, the provision under "(*d*) Drains, original" will be raised from Rs. 3,000 to Rs. 11,000.

20. *IX Charitable Grants* (*a*) *Dispensaries.*—The sanctioned budget for 1901-02 provided for 7 dispensaries at the rate of one for each Division. The Senior Surgeon's proposal to abolish the existing dispensaries at the Taluk Cutcherry, Kalasipalyam and Chamarajpete commends itself to Government, and the provision of Rs. 2,090 made for the dispensaries to be thus done away with will be disallowed and the estimate reduced accordingly, the cost already incurred on this account being met by retrenchments in other sanctioned items.

21. *IX* (*b*) *Epidemic Diseases Hospital.*—Against the sanctioned estimate for 1901-02 of Rs. 10,824, of which a moiety is debitable to Municipal Funds, the Sub-Committee proposes a sum of Rs. 9,504, which will be adopted in the present budget, with the observation that the present arrangements should continue, pending further reference and orders thereon.

22. *IX* (*c*) *St. Martha's Hospital*—The provision under this head is proposed to be reduced from Rs. 2,400 to Rs. 1,200 on the ground that the Municipality cannot afford to pay it as hitherto. The reduction, it is observed, seems unwarrantable, inasmuch as the conditions of the grant are being fulfilled by the authorities of the St. Martha's Hospital. Whether the Municipal Board should be relieved of this charge is a different question, which requires further consideration. The usual provision of Rs. 2,400 will therefore be retained under this head.

23. *IX* (*d*) *Vaccination and* (*e*) *Tirupati Pilgrims' Chattram.*—The marginally noted figures will be adopted under the above sub-heads for the current year against Rs. 524 and 800, respectively allowed in 1901-02.

	Rs.
(*e*) Vaccination ...	444
(*f*) Tirupati Pilgrims' Chattram...	500

24. *IX* (*g*) *Incurable Ward.*—The usual provision of Rs. 700 under this head will be retained in the present budget.

25. *X Education.*—The provision under this head includes Rs. 60 on account of grant-in-aid proposed to be paid to the Kannada School at Ballapurpete. This is sanctioned and the provision approved.

26. *XI Miscellaneous,* (*g*) *Fairs and Festivals.*—The provision under this head includes Rs. 500 on account of the City Market Show, but does not include Rs. 2,000 recently voted by the Board as Municipal contribution towards the cost of Coronation festivities on 1st January 1903. As the Board has recently resolved to give up the Market Show this year, the former item will be disallowed and in lieu thereof a sum of Rs. 2,000 will be inserted for the latter purpose.

27. *Water Maintenance Charges.*—The provision of Rs. 30,000 entered under this head in accordance with the recommendations of the Sub-Committee will be tentatively allowed to stand, pending the issue of final orders on the question now under the consideration of Government.

28. *XI Miscellaneous, Other items.*—Owing to the insufficiency of funds, the provision of Rs. 500 made under "Other items" will be reduced from Rs. 500 to Rs. 100.

29. In addition to the moiety of the cost of the "Epidemic Diseases Hospital," the Health Officer is said to have proposed the employment of a permanent establishment costing annually Rs. 12,108 and to debit the same to Provincial Funds. It is doubtful whether such a large and costly establishment is required, but this must form the subject of a separate communication to Government through the Senior Surgeon, and has nothing whatever to do with the Municipal budget.

30. The other items call for no remarks and are passed.

31. The budget estimates of receipts and expenditure of the Bangalore City Municipality for 1902-03 are sanctioned as shown below. The usual particulars are appended :—

Budget head.	Items of Receipts.	Estimates. As proposed.	Estimates. As sanctioned	Budget head.	Details of Expenditure.	Estimates. As proposed.	Estimates. As sanctioned
		Rs.	Rs.			Rs.	Rs.

	Grand Total ...	2,09,463	2,28,476		Grand Total ...	2,09,463	2,28,476

32. As the closing balance is much less than the prescribed minimum, every endeavour should be made to maintain the usual working balance by effecting savings in the sanctioned items and by developing and strictly supervising the present sources of income.

32. Government feel constrained to convey to the President an expression of their displeasure for the inordinate delay in the submission of the budget estimates, which were due in this office on the 1st April 1902, under the instructions laid down in Government Proceedings No. 7491-502—L. F. 280-92, dated the 1st December 1892. In future the budget should be placed before the Municipal Board in the month of February in each year, as required by Section 28 of the Municipal Regulations, and the same submitted to Government not later than the 1st April in that year.

H. V. NANJUNDAYYA,
Secy. to Govt., Gen. & Rev. Depts.

To—The President, Municipal Commission, Bangalore City.
The Comptroller to the Government of Mysore.
The Chief Engineer of Mysore.
The Inspector General of Education in Mysore.
The Senior Surgeon and Sanitary Commissioner with the Government of Mysore.
The President, Mysore City Municipality.

REVENUE

Proceedings of the Government of His Highness the Maharaja of Mysore,

READ—

(1) Government Proceedings No. 5381–2, dated 28th May 1902, regarding the rectification of the boundary line between the villages of Kalhalli, Kudligi Taluk, Bellary District, and Giddanahalli, Challakere Taluk, Chitaldrug District.

(2) *Letter No. 405, dated 25th November 1902, from the Deputy Commissioner, Chitaldrug District, to the Secretary to the Government of Mysore, General and Revenue Departments.*

Referring to para 2 of Government Proceedings No. 5381–2, dated 28th May last, *in re* the rectification of an incorrectly demarcated boundary between the villages of Kalhalli of Kudligi Taluk (Bellary District) and Giddanahalli of the Challakere Taluk, I have the honor to state that the boundary line was inspected by the 2nd Assistant Commissioner, Chitaldrug, and found correct. A copy of his report No. 84, dated 28th October 1902, is herewith submitted for information of Government.

ENCLOSURE.

(3) *Letter No. 84, dated 28th October 1902, from A. Subramanya Iyer, Esq., B.A., 2nd Assistant Commissioner, Chitaldrug District, to M. Narayana Rao, Esq., Deputy Commissioner, Chitaldrug District.*

1. In reply to your No. 21–Mis., dated 8th instant, I have the honor to state that I inspected the boundary line yesterday evening with the Challakere Amildar. The patel of Kalhalli was present. Stones Nos. 7, 2 and 6 were and are on the proper boundary line. Stone No. 1 was within the boundary line and has therefore been removed. Stone No. 4, which is said to be a theodolite station, has been sunk fast in the ground. As stated in the first letter of the Madras Government, a stone has been placed on the British side of the Mysore stone B. This apparently is stone No. 3 and its position is also correct. Thus the position of six stones is now correct.

2. I cannot say the same of the position of stone No. 5. As shown in the sketch, this is within the Mysore Boundary line B and C. The Madras Government in their first letter say that as this is by the side of a vanka, it is liable to be washed away, and need not therefore be removed. In their second letter, they say that it is on the boundary line. This stone has not been disturbed. It is not on the Mysore Boundary line. It is within that. Its proper position must be C. This and C are both on the left bank of the vanka Janige Halla and are liable to be washed away. The bit between C and 5 is full of pits and holes and is not fit for cultivation. So, as far as the cultivated portion is concerned, the boundary line has been correctly restored. The small bit between C and 5 does not appear to be worth contending about. I have, however, stated the facts that I observed. The sketch I have referred to above is the sketch sent by our Government.

No. R. 3173, DATED BANGALORE, 11th FEBRUARY 1903.

ORDER THEREON.—Recorded.

H. V. NANJUNDAYYA
Secy. to Govt., Gen. & Rev. Depts.

To—The Deputy Commissioner, Chitaldrug District.

READ THE FOLLOWING :—

Letter No. 7208, dated 16th December 1902, from R. C. H. Moss King, Esq., I. C. S., First Assistant to the Hon'ble the Resident in Mysore.

(1) I am directed to forward, for the information of the Darbar a copy of a Resolution * of the Government of India in the Department of Revenue and Agriculture, regarding the preparation of the forecasts of the cotton crop.

*No, 29—145-1, dated 26th November 1902.

(2) The area under cotton in Mysore is returned in the Agricultural Statistics as approximately 45,000 acres, but no estimate of the yield of the crop has hitherto been furnished. The Government of India observe that the omission from the returns of so large an area affects to a considerable extent the accuracy of the general estimates of the cotton crop, which are compiled and issued by the Director-General of Statistics in India. I am therefore to enquire if arrangements can be made by the Darbar for the annual preparation of an estimate of the area and yield of cotton in the Mysore State for transmission to the Statistical Department of the Government of India in time for incorporation in the Final General Memorandum on the cotton crop.

Resolution of the Government of India in the Department of Revenue and Agriculture, No. 29—145-1, dated Calcutta, the 26th November 1902.

READ—The Final General Memorandum on the cotton crop of the season 1901-02, issued by the Director-General of Statistics on the 18th February 1902.

RESOLUTION.

The Government of India have repeatedly had occasion to draw attention to the necessity for improving the estimates of the cotton crop which are periodically prepared and published by the local authorities and the Director-General of Statistics. But, in spite of the efforts which have been made in most provinces to secure greater completeness and accuracy in these estimates, their incorrectness still justifies the adverse criticisms which are from time to time directed against them both in India and in Europe. Certain of these criticisms, contained in a recent French official publication, have recently been brought to notice by the Director-General of Statistics, who has suggested the expediency of renewed and close inquiry into the methods of preparing the estimates, at the same time pointing out that while the estimated production of cotton in the last five years does not exceed, as reported, 9,614,214 bales (of 400 lbs.), the quantity actually exported or locally consumed in the same period cannot have been less than 13 million bales, the average annual consumption and exportation thus exceeding the annual estimate of the production by about 677,000 bales.

2. This wide divergence of the estimates from the actual figures is to be attributed mainly to errors and omissions arising from the following causes :—

First.—The absence of any estimates from certain provinces in which the cultivation of cotton is relatively unimportant;

Secondly.—The fact that in other provinces the estimates either do not include extensive areas on which cotton is grown, or are so conjectural, owing to the absence of village or other organised agencies for collecting the facts, that they possess but little value;

Thirdly.—The faulty data on which the estimates of the yield per acre are calculated.

It is desirable therefore to improve the estimates :

First.—By securing returns from provinces from which none have hitherto been received;

Secondly.—By the addition to the estimates of information for tracts which have hitherto been omitted, and by closer investigation of the sources of information in provinces in which there is no organized village agency by which the return can be prepared;

Thirdly.—By a careful examination of the manner in which the yield per acre is estimated.

3. No estimates have hitherto been received from Assam or Ajmer-Merwara. There is a considerable export of raw cotton from Assam, but the area of the crop is not recorded as the cotton is produced mainly in the hill districts for which no regular returns exist. The Provincial Director would, however, probably be able to ascertain generally in each year, with particular reference to the conditions of the season, the approximate area sown and the yield, and to frame an estimate accordingly. Similarly in Ajmer-Merwara the area under cotton recorded in the Agricultural Statistics (which relate to less than 60 per cent of the total provincial area) has varied during the last five years from 62,000 to 35,000 acres, and there seems no reason why an estimate should not be furnished. In the case of each of these provinces the Government of India will be glad if an attempt can be made to frame annually a rough estimate of the area and yield of the crop. It will for the present be sufficient if a single forecast is prepared which should be sent to the Statistical Department in time for incorporation in the Final General Memorandum on the Cotton Crop.

4. So far as the existence of error is due to the absence of village or other local agencies for the preparation of detailed returns, it is difficult in present conditions to apply an effective remedy. The estimates from Bengal are framed by the Director of Land Records and Agriculture on the basis of information supplied by the district officers, who have no special agency at their disposal for this purpose. Under this system really trustworthy data can hardly be expected. Nevertheless there is reason to believe that closer personal verification by the district and departmental officers of the figures submitted by the subordinate staff of the district would tend to prevent the latter from falling into a groove of routine, and framing estimates of a more or less imaginary nature, representing rather the speculations of the writer than the results of personal enquiries. A sudden test applied from time to time, preferably in a district in which cotton is a relatively favourite crop, could not fail to be useful. Efforts should also be made to obtain estimates from districts from which none have hitherto been received, owing to the relative unimportance of the cultivation.

5. Omitted areas in British India are to be found chiefly in Burma and Madras. The Government of India see no reason why, where such lacunæ exist, the procedure which has been adopted in Bengal, with the improvements suggested in the preceding paragraph should not be followed, estimates being framed by the Director or (in Madras) the Deputy Director of Land Records on the basis of information supplied by the district officers. In Madras the omissions are mostly in the *zamindari* tracts. The Government of India recognise that, owing to the absence of village agency, it is not possible as yet to hope for returns similar to those which are or should be rendered from the areas where such agency exists. But the procedure suggested above for adoption in tracts where there is no special agency, has a particular application to these tracts, and the Government of India trust that arrangements will now be made locally, which will ensure the Presidency falling into line with the other provinces, and rendering an account of both the area and production of this important crop for all the tracts without exception in which it is grown.

6. Where the error is due to the omission from the returns of any district of scattered areas subject to the same seasonal fluctuations as the areas which surround them, and for which statistics are rendered, it would seem that an attempt might be made to frame proportionate estimates for the yield of the excluded areas, which would to some extent correct the inaccuracy of the totals. For instance, if in a given district in Madras the yield on *zamindari* estates is roughly estimated to be about one-fifth of the yield on raiyatwari areas, and the yield of the latter be estimated at 10,000 bales in any year, the estimated total production of the district might be increased by an addition of 2,000 bales which would represent the yield of the *zamindari* area. It is true that any such estimate would be of the roughest; but the resultant figures would be much more nearly correct than a total from which the areas in question were entirely omitted. Provided that the method by which the figures are obtained be stated so as to clearly indicate what portion of them is based upon ascertained data, and what portion is a very rough approximation, the commercial community would not be misled, or at least not to the extent of which it complains at present.

7. In all provinces, the manner in which the yield of cleaned cotton per acre is estimated should be brought under careful examination and be revised wherever an examination of the results indicates that this is necessary. It is evident that this matter needs special attention, since an apparently small error of two or three pounds per acre becomes one of serious magnitude when multiplied into the whole number of acres under cultivation.

8. In conclusion the Government of India desire to be informed of the measures taken in response to these instructions for the improvement and completion of the estimates of the area on which cotton is grown and of the quantity produced. They also desire to be informed of the nature of the methods adopted for securing an approximately accurate estimate of the yield to the acre both in tracts in which there is an organised village agency and in tracts in which no such agency exists.

The Government of Madras.
Ditto Bombay.
Ditto Bengal.
Ditto the United Provinces.
Ditto the Punjab.
Ditto Burma.
The Hon'ble the Chief Commissioner of the Central Provinces.
The Hon'ble the Chief Commissioner of Assam.
The Hon'ble the Chief Commissioner, Ajmer-Merwara.
The Hon'ble the Chief Commissioner, North-West Frontier Province.
The Hon'ble the Resident at Hyderabad.

ORDERED, that the Resolution be communicated to the Local Governments and Administrations noted in the margin, the Director-General of Statistics and the Inspector General of Agriculture.

No. R. 3209-16, DATED BANGALORE, 14TH FEBRUARY 1903.

ORDER THEREON.—With reference to the above, the following provisional instructions are issued for the attention of Deputy Commissioners. Government will be glad to receive suggestions for any modification of them which may be considered desirable or necessary. Pending such modification these instructions should be carried out with reference to the crop now in the ground and the first forecast should be sent up as soon as practicable :—

I. An estimate of the area and yield of the cotton crop in Mysore is required to be prepared annually.

II. A single forecast has to be sent to the Government of India in the Statistical Department in time for incorporation in the Final General Memo of Cotton Crop

III. The memo for the British season 1901-02, was issued on 18th February 1902, *i.e.*, before the close of the official year.

IV. The crop is sown in Mysore generally from July to October and harvested from January to April.

V. The forecast should therefore be prepared early in November and submitted to Government before the end of that month, so that the return to the Government of India may be sent by the middle of December.

VI. The forecast should show—

(1) The total area under cultivation.

(2) The yield per acre in different tracts in lbs. of cleaned cotton.

(3) The probable total outturn in cwts. and lbs. of cleaned cotton.

VII. The area under the crop in alienated villages and tracts should also be given, and in doing so, if the exact area be not ascertainable, an estimate thereof may be given. In fact, no area under the crop should be omitted to be stated.

VIII. The total area of (1) Government lands and (2) lands in alienated villages and tracts, under the crop, should be stated separately.

IX. The yield per acre of *cleaned* cotton should be determined in accordance with the rules embodied in Government Order No. 1675-83—R. 635, dated 12th August 1896.

X. The total estimated outturn could then be easily worked out and entered.

XI. The column of remarks should show—

(1) Whether the cotton sown is indigenous (Javari) or exotic, and its designation ;

(2) The manner in which the average yield of cleaned cotton is calculated and arrived at. The name of the village, the survey number, the extent subjected to the experiment, the name of the officer that conducted the test, the number of tests taken, and how the average is struck, should be fully explained with necessary details.

XII. The return to be submitted may be in the following form :—

Return of the estimate of cotton cultivation in the.....District for the season ending 30th November.

(1) Name of Taluk.

(2) Total area under cultivation { 1. Government. 2. Alienated. 3. Total.

(3) Average yield of cleaned cotton per acre in cwts. and lbs.

(4) Total estimated outturn in cwts. and lbs. { 1. Government. 2. Alienated. 3. Total.

(5) Remarks explaining the kind of seed used and the manner in which the average yield per acre has been arrived at.

H. V. NANJUNDAYYA,
Secy. to Govt., Gen. & Rev. Depts.

To—The Deputy Commissioners of Districts.

READ—

Letter No. 341, dated 24th October 1902, from the Deputy Commissioner, Mysore District.

No. R. 3223-32, DATED BANGALORE, 16TH FEBRUARY 1903.

ORDER THEREON.—Out of the Inam lands measuring 7 acres and 33 guntas, granted to the 5 Chakras of the Kura village in the Seringapatam Taluk, Survey No. 762, extent 3 acres and 27 guntas, was dry and was yielding only a rupee to the Chakras, who, therefore, when their request for a better land in exchange was refused, leased it out, with the permission of the Division Superintendent in 1840, to one Srinivasa Setti in perpetuity for an annual rental of Rs. 9-3-3, authorizing the lessee to improve the land at his own cost and to raise any crop he pleased. The lessee having converted the land into wet, remained in possession thereof, annually paying Rs. 9-3-3 to the Chakras and Rs. 26 to Government on account of water rate and local cess.

2. In 1889, one of the descendants of the Chakras, who leased out the land having claimed it as his service Inam, the Sub-Division Officer directed the resumption thereof in the usual course from Govinda Setti, son-in-law of Srinivasa Setti (since deceased). Upon appeal to the Deputy Commissioner, it was ascertained from the Superintendent of the Revenue Survey that there was no record in his office to show whether the question of the land, being a service Inam, was raised at the time of Settlement. The Deputy Commissioner submits to Government that the grant of the perpetual lease in respect of service Inam lands is not in contravention of the Chief Commissioner's Circular of 1835 and that the proprietary right still vests in the Chakras and that the lease executed in 1840 is only an arrangement made for the convenience of the original lessors. He holds that the resumption of the land was unwarranted. He further states that the cash emolument of Rs. 9-3-3 is too small to admit of a fair division among the 5 Chakras and that therefore the wet assessment levied on the land be conceded to them as a special case.

3. It is observed that, though the grant of land on a perpetual lease for an inadequate rent is an alienation, which is prohibited in the case of service Inams, this arrangement was carried out so long ago as 1840 for what then appeared to be a beneficial consideration to the holders that the Superintendent of the Division permitted the transaction. Government therefore direct that the lessee be allowed to remain in the possession of the land as heretofore. The proposal to give the money derived from wet assessment to the Chakras is inadmissible.

H. V. NANJUNDAYYA,

READ—

Letter No. D. 672, dated 10th December 1901, from the Deputy Commissioner, Bangalore District, requesting to be informed of the equivalent in Kanarese for the expression "Rape seed," regarding which information should be furnished in the tables of Agricultural Statistics.

No. R. 3365-72, DATED BANGALORE, 23RD FEBRUARY 1903.

ORDER THEREON.—So much of the information as is necessary for a clear understanding of the expression, obtained from Dr. Watt's Dictionary of the Economic products of India, Volume I, is printed below for information and guidance:—

Brassica Campestris, Linn; Fl. Br. Ind., I., 156.

"To this species belong the turnip, the rape, coleseed, colza, and other forms known in Europe. The Indian examples may be said to be represented by *sarsón* and *tóriá*. It is necessary to make some attempt at referring the Indian forms to their sub-species and varieties, but until the subject has been more carefully investigated, very little of a definite and trustworthy nature can be given. The greatest possible difficulty exists in separating the economic and trade facts which have appeared in Indian works and reports on the subject; mistakes are almost unavoidable. But before attempting to establish the varieties of the Indian members of this species, it may be found convenient to give in this place a brief indication of the arrangement adopted in Europe, so that comparison may be possible with the Indian plants.

Indian Forms.

Speaking of the forms of *B. campestris* met within the North-West Provinces, Mr. Atkinson, in the manuscript which he has most obligingly placed at my disposal, says: 'The varieties known as *S. glauca* and *S. dichotoma* are well marked and are known by different names in almost every district, and appear to be entitled to specific notice.' 'These forms,' he goes on to say, 'are extensively cultivated in almost every district in the North-West Provinces on account of the oil obtained from the seed. They are, however, sparsely grown in the Benares District, because there they are peculiarly subject to the attack of *lábó*, a small black fly.'

Var. I. Dichotoma, sp., Roxb.

It seems probable, as already indicated, that owing to the hairiness of the leaves, this should be viewed as a form of the sub-species *B. campestris* proper; thus corresponding to the Swedish turnip and colza series.

Kali Sarson (The Indian commercial name).

Syn-Sinapis Dichotoma, *Roxb.*; S. Brassicata, *Roxb.*

Vern.—*Kali sarson, kale-rai, sursi, jariya, lahota, laita, jadiya*, Hind.; *sursha, shurshi* or *sursi, sanshi, kali-sarson, sada-rai*, Beng.; *sarsu*, Raj.; *kale-rayan*, Duk.; *surah*, Cutch; *sarsawa, kala-rai*, Guj.; *sherasa, kala-mohare*, Mar.; *karappu-kadugu*, Tam.; *nalla-avalu*, Tel.; *Karuppa-katuka*, Mala.; *Sarsive, kappu-sasve*, Kan.; *Sarshapa, kala-sarshapa*, Sans.; *khardale-asvad*, Arab.; *sipandane-siyah*, Pers.; *kalu-abbe*, Singh.; *Ame-munniyen-zi*, Burm.

Botanic Diagnosis.—Upper leaves lyrate or entire, amplexicaul, lower auricled, deeply pinnatifid; the ground ones being more or less hairy, used for culinary purposes. Pods sub-cylindrical, 2-3 inches long, with a long tapering beak; seeds small, dark or light brown, smooth or minutely rugose.

I am inclined to think a serious mistake has been made by European authors in regarding this variety as identical with S. glauca, *Roxb.* The latter plant yields a decidedly superior oil, and both seeds and plant are readily distinguished by the most ordinary native, and their properties narrated with precision.

Oil.—Colza oil is used by the natives of India chiefly to anoint the body and for illuminating purposes. 'On this side of India the oil (sarasin, Guj) is used for pickles and culinary purposes; the oil-cake is given to cattle.' (*Assistant Surgeon Sakharam Arjun Raut, Girgaum, Bombay.*) It seems probable that the above remark should be transferred to the next variety. (G. Watt.)

Var. II.—Glauca, sp., Roxb.

This seems to belong to the sub-species Napus.

Rape seed, Rara-sarson (the Indian commercial name). Roxburg calls this 'White Mustard.'

Syn-Sinapis Glauca, *Roxb.*

Vern.—*Sarson, sarson-zard, bara-lai, shetashirsa, banga sarson, pila sarson, rara-rada, rara-sarson, pili-rai,* Hind.; *shwet-rai,* Beng.; *rajika, tuve-rika,* Sans.; *sarashire, raira,* Guj.; *Pile-rayan,* Duk. 'Raira, *i.e.*, like mustard.' (Dr. W. Dymock, Bombay).

Botanic Diagnosis.—The leaves are amplexicaul, the lower deeply pinnatifid, the ground ones being quite glabrous; used for culinary purposes. Pods very thick, laterally compressed, one-third to half inch in length, with a broad flattened beak; seeds round, smooth, light-yellow or white, but occasionally deeper colored.

Oil.—It is highly probable that a great part of the so-called mustard oil of India should be transferred to this position under the name of *sarson* or Indian rape-oil. How far the oil from the next variety, *toria,* may also belong to this class cannot at present be determined, but it has been deemed advisable to give here an abstract of all the available information regarding Indian rape oil. Speaking of this plant, Roxburg says:—'The entire seed is used for various economical purposes; an oil is also expressed from it, which is much used in the diet of the Hindus.' 'Rape oil is expressed after the ordinary fashion of the oil-presser or *teli,* who returns to the cultivator one-third of the weight of the seed in oil.' (*Duthie and Fuller.*) 'The oil is expressed in the same manner as *til* by means of a large wooden mortar and pestle worked by cattle. In Bulandshahar the seed sells at 12 seers for the rupee; one maund yields 13 seers of oil and 27 seers of cake at a cost of 12 annas. The oil sells at 3¼ seers per rupee and the cake at 35. The oil is used in the preparation of condiments, such as pickles, preserves, curries, and for other culinary purposes. It is also used for burning, though, from its strong odour, it is not a favourite with Europeans. It is, however, capable of purification by agitation in a leaden vessel or with sulphuric acid and water.' (Mr. Atkinson's MS.S.) The oil which is most esteemed as an article of food amongst Hindus is that obtained from B. Juncea, which see.

'In India, rape seed is very commonly sown mixed with mustard seed, and almost as an auxiliary with grain crops. It prefers loams, and does not thrive on clay soils. The sowing takes place in October, and the harvest in the following February, the plants being cut somewhat prematurely, otherwise the pods would burst and much of the seed be lost. The latter is ripened by exposure to the sun for three or four days on the threshing floor, and is then easily dislodged.' 'The Indian seed known as Gujarat rape, largely crushed at Dantzic, is found to yield 3½ per cent more oil than European seed, and leaves a cake richer in fatty matter and albuminoids; it is shipped from Bombay and brings the highest price of any.' (Spon's Encycl.)

A good deal has been written regarding the superiority of this so-called Gujarat rape. It seems to be a superior quality of Var. Toria or of Var. Glauca. In the "Bombay Gazetteer" occurs the following notice of this form:—'Rape-seed, *sarson,* Brassica Napus, holds the first place among oil-seeds and the third place among crops in general (in Kadi Sub-Division). Land intended for it is left fallow for four months and ploughed twenty times before the seed is sown. The crop does not require any watering. The seed is sown through drills in November at the rate of from two to three *seers* to the *bigha* and reaped in March, and the average yield varies from 400 to 800 lbs. When the crop is grown in *bajarvada* land, the yield is small and rarely exceeds 200 lbs. The rape seed grown in this division is of a better description than any in Gujarat, and has a larger grain. The produce forms one of the chief articles of export.'" (Bombay Gazetteer VII. 97.)

1. Para 4 of Government Order No. 2069-78—P. F. 42-97, dated 21st September 1900, regarding the maintenance of Kodagi tanks whose Inams have been enfranchised.

2. The following communications received from the Deputy Commissioners on the subject:—

No.	Date.	From District	
331 ..	28th November 1900 ...	Deputy Commissioner,	Kadur.
596 ...	17th January 1901 ...	Ditto	Chitaldrug.
698 ...	23rd ditto ...	Ditto	Tumkur.
1231 ...	27th April 1901 } ...	Ditto	Kolar.
4214 ...	12th May 1901 }		
1618 ...	11th ditto ...	Ditto	Bangalore.
745 ...	14th June 1901 ...	Ditto	Hassan.
1135 ...	18th ditto ...	Ditto	Shimoga.
508 ..	9th December 1902 ...	Ditto	Mysore.

No. R. 3470-80, DATED BANGALORE, 28TH FEBRUARY 1903.

ORDER THEREON.—In the order quoted above, the Government directed that proper enquiries should be instituted to ascertain that the tanks are duly maintained and requested the Deputy Commissioners to report the result of such enquiries.

2. In the Shimoga and Kadur Districts, there are no kodagi tanks. There is one tank in each of the Chitaldrug and Mysore Districts and they call for no attention now as they are reported to be in good order. All the 4 tanks in the Hassan District are reported to be in good condition. In the Tumkur District there are 9 tanks, of which 2 are in good order, 4 in a fair condition and 3 in a bad state. In the Kolar District, in which such tanks are numerous, 311 are in a good order, 179 are stated to be in a fair order, while as many as 586 are out of order.

3. The Bangalore Deputy Commissioner does not give any details but merely states that some of the tanks in the Taluks of Hoskote, Kankanhalli, Magadi, Channapatna, Anekal, Bangalore and the Closepet Sub-Taluk are reported to be in good condition while some need repairs.

4. Government are not satisfied with the manner in which the subject has been treated by the Deputy Commissioners of Bangalore, Kolar and Tumkur. The Bangalore Deputy Commissioner's report is the vaguest of all. The result of the enquiries made has not been reported. In fact, hardly any enquiry appears to have been made regarding the tanks out of order. Nothing is stated to show whether any steps have been taken to get the tanks brought up to a good condition. These Deputy Commissioners are requested to submit detailed reports after making proper enquiries as regards each of the tanks out of order, and to say what they have done or propose to do for getting all such tanks put into order. A statement showing the name, the atchkat and the present condition of the tank out of order, the quantity and value of work to be done, the steps taken to have it done and other necessary details should be submitted, within three months from this date.

5. The reports and the statements should be submitted to the Revenue Commissioner, who is requested to forward them to Government with his opinion.

FINANCIAL

Proceedings of the Government of His Highness the Maharaja of Mysore,

READ—

Letter No. 2163-327, dated 20th October 1902, from the Comptroller, Mysore Government, reporting that a sum of Rs. 100 was drawn by the Deputy Commissioner, Shimoga, as an advance in August last, for his camp expenses at Mysore, though he held a permanent advance of Rs. 200, and stating that the procedure was irregular.

No. Fl. 1236-44, DATED BANGALORE, 11TH FEBRUARY 1903.

ORDER THEREON.—The Deputy Commissioner when asked by the Comptroller to explain the above mentioned irregularity, reported that as the permanent advance held by him had all been exhausted by the 4th August 1902 and as it could not then be recouped in time for want of sufficient vouchers, the amount under objection was drawn and recouped in September 1902.

Government observe that the advance, which should not have been drawn, was not even reported to Government as required in Order No. 5156-90—Fl. 428, dated 5th December 1896. Such irregularities, the Government trust, will not be allowed to recur.

1. Government Proceedings No. Fl. 240-2, dated 8th August 1901, sanctioning the oiling and the cleaning of the sluices of the Sulekere tank and channels in the Shimoga District by the Revenue officers.

2. Letter No. 3214, dated 4th June 1902, from the Chief Engineer in Mysore, soliciting a general order in the matter.

No. Fl. 1253-62, DATED BANGALORE, 12TH FEBRUARY 1903.

ORDER THEREON.—The Deputy Amildar of Gudibanda having refused to have the sluice gearing of the Byrasagara tank, cleaned and oiled, on the plea that such work was not before done in the Revenue Department, the Public Works Department attended to it as it required immediate attention. The Chief Engineer, having once given his opinion as Superintending Engineer that, in almost all the restored tanks he had ever visited, the gearing was badly cared for, now submits to Government that it is the duty of the Revenue officers to attend to such work for all the restored tanks in their charge.

2. In these circumstances, the Deputy Commissioners of Districts are requested to get such work done in the Revenue Department in future, debiting the charges to "24 Miscellaneous (2) 7 petty charges of a special nature."

H. V. NANJUNDAYYA, *Secy. to Govt., Gen. & Rev. Depts.*

To—The Revenue Commissioner in Mysore.
The Deputy Commissioners of Districts.
The Chief Engineer in Mysore.

READ—

Letter No. 49, dated 31st October 1902, from the Superintendent of Stamps in Mysore, submitting the Annual Report of the Stamp Department for the year 1901-02:—

THE ANNUAL REPORT OF THE STAMP DEPARTMENT FOR 1901-02.

1. At the beginning of the year 1901-02, the value of stock under all descriptions of stamps amounted to Rs. 25,85,195-3-0, and stamps to the amount of Rs. 10,74,407-8-0 were received from the Manufactory during the year under report.

Stock.

Statements Nos. 1 & 7.

2. Stamps of the value of Rs. 6,94,599-8-0 were issued to the Treasuries of the State. Stamps for Rs. 15,435 were supplied to the Supervisor for vending. Stamps valued Rs. 429 were cancelled and given to Mr. E. W. Wetherell for philatelical purposes under the orders of Government; and transfer and foreign bill labels for Rs. 454 were taken out for sale during the year. The indent by the Honorable the Resident's Treasury for stamps for Rs. 47,510-12-0 was complied with. General stamp papers above the value of Rs. 6 worth Rs. 2,14,840 were transferred to Court fees, as the latter are printed in labels only up to that amount. Damaged stamps for Rs. 7,966-12-0 were received back from districts.

Issues.

3. After the issues noted above, the value of stock on hand at the close of the year stood at Rs. 29,01,174-7-0.

Balance of Stock.

4. Figures for two years of receipts of stamps from the Manufactory and issues to Treasuries, including those supplied to the Honorable the Resident's Treasury, are compared below:—

Comparison of Receipts and of Issues.

Statements Nos. 8 & 9.

	Stock Receipts. Rs. a. p.	Stock Issues. Rs. a. p.
1901-02	10,74,407-8-0	7,42,110-4-0
1900-01	10,53,452-2-0	8,95,676-9-0
Difference	+20,955-6-0	—1,53,566-5-0

The work in both these branches keeps the office fully engaged throughout the year.

5. The receipts and sales of stamps in District Treasuries are particularized in Statement No. 6. The sales of stamps in all the districts amounted to Rs. 6,90,295-13-0.

Revenue. Particulars of sales. Statement Nos 3A, 3B & 6.

6. Details of sales effected in the Stamp Superintendent's office are given in Statement No. 10, which has been newly added to this report. Stamp duty levied in the Stamp Superintendent's office on private documents amounted to Rs. 17,400-11-0 or Rs. 5,941-2-0 more than in the previous year. Rupees 2,777-12-0 were levied on cheque books and receipt forms impressed with one-anna receipt stamps. The Supervisor of this office sold the Court fees stamps of Rs. 50 and upwards for Rs. 14,890. As usual, one hundred rupee paper contributed largely towards it. Sales of transfer and foreign bill labels brought in Rs. 454, and they were sold at the State Huzur Treasury to the Agent, Madras Bank, and Agent, Bangalore Woollen, Cotton and Silk Mills Company. There is no general demand for these labels.

Statements Nos. B, 10 & 5.

7. Under penalties, recoveries on account of pauper suits and other miscellaneous heads, Rs. 20,761-2-4 were credited to Government.

8. The gross revenue of the year under report was Rs. 7,50,403-5-7, showing a deficit of Rs. 45,009-0-4 when compared with that of the previous year, which result is due to recurrence of plague in parts of the State and mortality among the litigant population.

Statement No. B.

9. Under the marginally noted heads, realizations fell short by Rs. 54,423-3-9, but the receipts under the items given below slightly made up the deficiency to the extent of Rs. 9,414-3-5.

	Rs.	a.	p.
Sale of Court fees stamps	—29,138	12	0
Sale of special water-mark paper ...	—213	7	3
Recoveries on account of pauper suits ..	—274	12	6
Sale of general stamps	—24,511	4	0
Sale of foreign bill labels	—20	0	0
Total ...	—54,423	3	9

	Rs.	a.	p.
Sale of Receipt stamps	+88	0	0
Do of transfer stamps	+433	8	0
Stamp duty realized at the Stamp Superintendent's office ...	+5,941	2	0
Penalties, etc.	+1,901	4	11
Miscellaneous	+1,050	0	6
Total ...	+9,414	3	5

10. With the exception of Chitaldrug District and Head-quarters (Huzur) Treasuries, here has been a general decline in the stamp revenue, as will be seen from the following omparative statement for two years:—

Year	Mysore	Bangalore	Shimoga	Kolar	Hassan	Tumkur	Kadur	Chitaldrug	Head-quarters.
1900-1901 ...	2,06,924	1,60,743	81,688	73,010	84,077	64,782	59,525	34,052	27,608
1901-1902 ...	2,03,581	1,54,298	73,259	68,035	66,030	61,457	55,301	36,180	33,262
Difference ...	—3,343	—6,448	—12,429	—4,975	—18,047	—3,325	—4,224	+2,128	+5,654

The decrease was more marked in the Hassan and Shimoga Districts.

Expenditure.

11. The expenditure for the year was Rs. 59,764-9-3 as against Rs. 56,724-7-5 of the year 1900-01.

There was a decrease of Rs. 4,441-4-1 under contingencies, minor items and pay of alaried vendors, the services of some of whom were dispensed with under Government. roceedings No. Fl. 926-34, dated 8th January 1902.

Had it not been for the adjustment this year of Rs. 7,480-1-7, cost of water-mark paper urchased in 1899-00 from Messrs. Spicer Brothers, London, there would have been an actual aving of Rs. 4,439-14-9 instead of an increase of Rs. 3,040-1-10.

Conclusion.

12. Mr. C. R. Kiernander, Special Auditor General, inspected the office and expressed himself satisfied with the system of accounts and books maintained therein. He has recorded that this is a well worked Department.

13. Supervisor Govindaraju Mudaliar and Treasurer Krishnaswami Iyengar have worked ard and well.

14. The usual statements are appended to this report.

EXCISE

Proceedings of the Government of His Highness the Maharaja of Mysore.

READ AGAIN—

Government Proceedings No. 164-5—Ex. F. 18-98, dated 3rd December 1902, sanctioning a refund bill in favor of Singaravelu Mudaliar, licensee of Madahalli toddy shop, Anekal Taluk, for the year 1901-02, for Rs. 31-14-0, being the amount of tree-tax paid on 20 date trees applied for by him in the Hosur Taluk of the Salem District, but not marked by the Madras Abkari authorities, on account of the incorrectness of the Survey numbers entered in the application presented by him, and observing that it was the duty of the licensee to have made himself sure of the correctness of the entries in the application before he presented it to the authorities.

READ—

Para 6 of the Excise Commissioner's Circular No. 1897-945—124, dated 10th September 1898, regarding the verification of applications, *i. e.*, Darkhasts, for trees before they are presented at the Treasuries.

No. 327—Ex. F. 18-98, DATED BANGALORE, 11TH FEBRUARY 1903.

ORDER THEREON.—Government are of opinion that the present verification is in many cases more formal than real. Under the circumstances referred to in the order read above, Government think that Mysore officials should certify correctly in the first instance, the subsequent verification being left to the Inspecting Staff of the Madras Government.

H. V. NANJUNDAYYA, *Secy. to Govt., Gen. & Rev. Depts.*

To—The Excise Commissioner in Mysore.

READ —

Letter No. 2889—125, dated 19th November 1902, from the Excise Commissioner in Mysore, submitting, with his opinion, the record of enquiry relating to the claim to the toddy revenue preferred by the Jahgirdar of Sivasamudram.

No. 332-4—Ex. F. 12-1901, DATED BANGALORE, 16TH FEBRUARY 1903.

ORDER THEREON.—The Jahgirdar holds the Sarvamanyam villages of Belakavadi, Dasandoddi, Kanchagahalli, Hosahalli, Devapatna, Mallakyathanahalli, Purigal and Kaggalipura, in the Malvalli Taluk of the Mysore District. In support of the claim to the toddy revenue of these villages, the agent of the estate has produced copies of the original Sannads given to the Jahgirdar in December 1829, as well as the original title-deeds. The latter expressly concede the toddy revenue to the Jahgirdar, and the former entitle him to "Ichal pairu," distinctly used to mean the Excise revenue from toddy. The Jahgirdar has also recovered the revenue from the old contractors till the end of March 1892. The Assistant Commissioner (Mr. P. Srinivasa Rao), who held the enquiry, has recognised the claim. The Deputy Commissioner, Mysore District, and the Excise Commissioner support it. The Government are accordingly of opinion that the claim of the Jahgirdar to the excise revenue from toddy of the Jahgir villages in the Mysore Territory is satisfactorily established.

2. Two shops (one at Purigal and the other at Belakavadi) are said to exist for a long time and one more near Mallakyathanahalli for the past two years. The shops are said to have also groves attached to them. The revenue of these villages are therefore due to the Jahgirdar under Rules 2, 5 and 9 of the Rules issued with Government Proceedings No. 2074-83—R.F. 166-92, dated 2nd August 1901, from 1892-93 minus the amount, if any, already advanced to him. While making the payments, the revenue due on account of the Purigal and Kaggalipura villages should, until further orders, be paid to Government on behalf of the temples and the Agrahar at Sivasamudram, for the maintenance of which these villages were granted, as they are at present under Government management.

Letter No. 3239—132, dated 27th November 1902, from the Excise Commissioner in Mysore, reporting, with reference to Government Proceedings No. 2074-83—R. F. 166-92, dated 2nd August 1901, on the claim of the Sri Uttradi Matt to the toddy revenue of the Borasandra and Gollahalli villages in the Sira Taluk, Tumkur District; and

Letter No. 4157-181, dated 19th January 1903, from the same officer on the same subject.

No. 338-40—Ex. F. 11-1901, DATED BANGALORE, 16TH FEBRUARY 1903.

ORDER THEREON.—In support of the claim, the Agent of the Matt produced copies of the Nirup dated 28th January 1831, the late Chief Commissioner's order dated 23rd December 1832, and the late Chitaldrug Division Superintendent's order No. 34, dated 23rd December 1842, in all of which it is clearly expressed that the Matt should enjoy the toddy revenue of the Borasandra and Gollahalli villages in the Sira Taluk, Tumkur District, without molestation or interference. In the extract of the quit-rent register also, toddy is said to be one of the items of revenue granted to the Inamdar. There is a shop and groves attached to it in each of these villages and the Matt is said to have all along enjoyed the revenue from toddy. The Assistant Commissioner, who investigated the claim, and the Deputy Commissioner, Tumkur District, have recognised it and the Excise Commissioner agreeing with them states that the Matt is entitled to the Excise revenue from toddy under the various systems from 1892-93, subject to Rules 2, 3, 5, 6, 9, 10 and 11 of the Rules issued with Government Order No. 2074-83—R. F. 166-92, dated 2nd August 1901. Government are consequently of opinion that the right is clearly established and that it may be allowed.

Letter No. 3506—142, dated 10th December 1902, from the Excise Commissioner in Mysore, reporting with reference to Government Order No. 2074-83—R. F. 166-92, dated 2nd August 1901, on the claim of the Kayamguttadar of Muddanerlakere village in the Maddagiri Taluk, Tumkur District, and submitting the record of the case.

No. 335-7—Ex. F. 23-95, DATED BANGALORE, 16TH FEBRUARY 1903.

ORDER THEREON.—In support of his claim, the Kayamguttadar has produced certified copies of Huttuvali chittas for the years 1814, 1816, 1819, 1823 and 1829, which show that the shendi guttige amount was included in the assets of the village, with reference to which the kayamgutta amount is said to have been fixed when the village was alienated in the year 1829. The Inam Department has also recognised the right. The Assistant Commissioner who held the enquiry and the Deputy Commissioner are satisfied that the claim is fully established. The Excise Commissioner concurs with them and states that the Kayamguttadar is entitled to the excise revenue from toddy under the several systems from 1892-93, subject to Rules 2, 3, 5, 6, and 12 of the rules issued with the Government Order of the 2nd August 1901 referred to above. Government concur with these officers and hold that the claim is fully established.

READ—

Letter No. 3822—167, dated 22nd December 1902, from the Excise Commissioner in Mysore, submitting a remission statement for Rs. 200, in favor of Venkataramaniah, licensee of the Sarjapur toddy shop, Anekal Taluk, Bangalore District, for the year 1898-99 and stating that, as the then Deputy Commissioner, Mr. Puttanna Chetty, promised to grant the above remission in consequence of his (licensee's) having suffered loss owing to the prevalence of plague, sanction may be accorded to it.

No. 341-50—Ex., DATED BANGALORE, 16TH FEBRUARY 1903.

ORDER THEREON.—Under the circumstances represented, Government are please to sanction the sum of Rs. 200 being written off the accounts, with the observation

that the Deputy Commissioner, Mr. K. P. Puttanna Chetty, should not have anticipated the sanction of Government and made the promise referred to above.

2. The said Venkataramaniah having made default in the succeeding year also, Government direct that, as a rule, defaulters should not be permitted to bid at such sales.

Letter No. 2005—89, dated 18th October 1902, from the Excise Commissioner in Mysore, submitting a remission statement for Rs. 365-2-6 in favor of Sajje Malle Gowda, the Arrack Vend Farmer of the Arkalgud Taluk, Hassan District, for the year 1900-01.

READ—

Letter No. 4271—190, dated 23rd January 1903, from the same officer, forwarding, with reference to this office docket No. 218—Ex., dated 27th October 1902, copy of the Hassan District Deputy Commissioner's letter No. 1021—Mis., dated 12th January 1903, stating that the confirmation notice was served on the defaulter on the 4th July 1900, that he was postponing the payment of the amount of security deposit though demanded and that as he failed to pay the amount finally, the farm was ordered on the 18th August 1900 to be re-sold.

No. 368-9—Ex., DATED BANGALORE, 27TH FEBRUARY 1903.

ORDER THEREON.—The sum of Rs. 365-2-6 recommended to be remitted includes (1) the loss arising from the re-sale of the farm and (2) the rental for July and August 1900 and nine days in September 1900. It is reported that there is no means of recovering it from the defaulter and the Government are accordingly pleased to direct its being written off the accounts with the observation that the solvency of the defaulter should have been ascertained before the farm was knocked down to him in the sales and that Government hope that irregularities of this kind will not be allowed to recur.

PETITION

Proceedings of the Government of His Highness the Maharaja of Mysore,

BEFORE THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

SHIMOGA DEPUTY COMMISSIONER'S LETTER No. 1141—942, DATED 19TH JUNE 1901.

Parties heard.

1. Patel Rangappa.
2. Hissedar Ramanna.
3. Venkoba Rao, (minor), represented by his maternal uncle Venkappa.

Subject.

Alienation by private sale of pateli umbli land Survey No. 115, measuring 14 acres and 22 guntas, assessed at Rs. 54 and situated in the village of Balekoppa, Kumsi Sub-Taluk.

Facts of the Case.

In January 1895, patel Rangappa and hissedar Ramanna applied to the Deputy Amildar of Kumsi Sub-Taluk that the service inam land above referred to, which stood in the khate of Rangappa and which was subject to the payment of *full* assessment as jodi, might be treated as Government kandayam land so as to enable them to sell it in discharge of certain debts. On 9th February 1895, the then Deputy Amildar, Kundapur Subba Rao, submitted the case for the orders of the Deputy Commissioner. On 27th April 1895, the then Officiating Deputy Commissioner, Mr. D. Namakal Rao, passed an order declining to grant the application of the patel. This order was communicated to Rangappa on 6th May 1895. In the meantime, however, Rangappa and Ramanna had, on 17th February 1895 and without waiting for orders on their petition, sold the land to Pleader Lakshmanaiya of Shimoga for Rs. 1,200 and applied to the Deputy Amildar for transfer of registry. The transfer was effected in the name of Venkoba Rao, the minor son of the alienee (deceased) in January 1896. In July 1897, the Deputy Amildar Kesavaiya brought the above fact to the notice of the Deputy Commissioner, who directed that the parties concerned should be required, by a written notice, to have the sale cancelled, on failure of which the land would be resumed to Government. The parties having failed to do so, patels Rangappa and Ramanna were on 26th January 1899 suspended from their respective pateli offices of Chikmarasa and Dyavankere. The Deputy Commissioner now recommends that the land may be resumed from its present owner and entered in the khate of the pateli hissedars, the sale being declared void and the alienee being left to pursue any legal remedy he may have against the vendors.

Decision.

The sale was against the rules and is set aside. The land should be resumed and dealt with as assessed land at the disposal of Government. The appellants are clearly guilty of a deliberate violation of the rules. By way of punishment, they will be placed under suspension for a period of five years.

No. 1146—P. F. 84-02, DATED 2ND FEBRUARY 1903.

Copy forwarded to the Deputy Commissioner, Shimoga District, together with the vernacular records received with his letter No. 551—419, dated 15th December 1902.

L. ANANTASAMI RAO,
Dy. Secy. to Govt., Gen. & Rev. Depts.

BEFORE THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

REFERRED CASE NO. 17 OF 1901-02.

Subject.

Disposal of Survey No. 74 of Yadavanahalli, Anekal Taluk, for cultivation.

Facts of the Case.

1. In Government Proceedings No. 6390-91—R. 2065, dated 17th January 1898, ıe appropriation of Revenue Survey No. 74 (gomal), measuring 45 acres and 38 untas of Yadavanahalli, Anekal Taluk, for cultivation purposes, was sanctioned, and ıe land was directed to be disposed of under Darkhast Rules. Accordingly the leputy Commissioner ordered the sale of the land by public auction. In the sale, atel Munireddi purchased the entire number for one rupee. The Amildar reported hat, as the darkhastdar Venkatappa, who offered to pay an upset price of Rs. 11-8-0 t 4 annas per acre, was the holder of the land prior to the Survey Settlement, the uestion of granting it to him for the upset price offered might be considered. After ome correspondence in the matter of subdividing the Survey number, the Amildar ported that if the land was subdivided, portions thereof might remain unoccupied, it contained gravel etc., in several places, that as the land contained no trees, ıere was no necessity for selling it by public auction, and that patel Munireddi, who as not on good terms with the shanbhog, the darkhastdar's brother, had offered to crease the price in case the land was re-sold. The Amildar therefore recommended ıat the whole Survey number might be given to Venkatappa for an upset price, as was not likely that a higher price would be obtained if the land was sold again. he Assistant Commissioner in charge of the Taluk (Mr. C. Rajagopala Charlu) then dered that as the former occupant of the land was the darkhastdar and as the sale ıereof would give room for others purchasing it, an upset price of Rs. 5 might be ken from the first applicant and the land made over to him. The Amildar accordgly made over possession of the land to Venkatappa on 24th February 1900.

2. When the Assistant Commissioner submitted the records of the case with a ew to have the assessment fixed on the land, the Deputy Commissioner (Mr. B. K. enkatavaradaiengar) on 5th October 1900, observed that the grant of the land to enkatappa for Rs. 5, when he had offered to pay at 4 annas per acre, was irregular ıd ordered the re-sale of the land. The Amildar and the Assistant Commissioner ıen solicited instructions as to how the matter should be proceeded with, as the ossession of the land had already been made over to Venkatappa. The Deputy ommissioner (Mr. B. K. Venkatavaradaiengar) again ordered that the previous ders should be given effect to. In accordance therewith the Amildar held the sale the land again on the 11th March 1901, when Venkatappa declined to be present, ıd it was purchased by patel Munireddi for Rs. 140, which amount was also paid him. The Deputy Commissioner (Mr. B. K. Venkatavaradaiengar) solicits instrucons as to how he should proceed, as para 29 of Rule XX of the Land Revenue Rules quires the sanction of Government to take back the lands once put in possession of ıy person.

Decision.

1. The Assistant Commissioner Mr. Rajagopala Charlu exercised a proper discreon in giving the land to Venkatappa. He may have taken the sum of Rs. 11-8-0 from enkatappa as first offered, but surely an officer in the position of an Assistant ommissioner in charge of a Sub-Division may well be trusted with discretion as to e terms upon which a piece of waste land should be given to an applicant. He as on the spot and knew the circumstances.

2. Government are of opinion that the Deputy Commissioner Mr. Venkatavaraiengar did not exercise his powers rightly in cancelling the order of the Assistant ommissioner, especially many months after Venkatappa had been put in possession. ıere was an opportunity for the Deputy Commissioner to re-consider the false step had taken when the Assistant Commissioner later on asked for instructions as to w he was to proceed as Venkatappa had been put in possession of the land. ven then the Deputy Commissioner did not see the inconvenience caused by his der, but directed that his first order should be carried out; and now the same eputy Commissioner asks for instructions as to how he is to proceed as the rules do t permit of possession once given being disturbed without the orders of Govern-

3. Government consider that the case is one in which no cancelment of a sale for an upset price or disturbance of the possession of the person claiming under it, is called for. Interference of this kind is seldom desirable and should not be resorted to except under very exceptional circumstances.

4. The order of the Deputy Commissioner cancelling the grant of the land in question to Venkatappa for Rs. 5 is set aside and the subsequent sale held on the 11th March 1901 in which Munireddi purchased the land for Rs. 140, cancelled.

No. 1194—P. F. 90-02, DATED BANGALORE, 14TH FEBRUARY 1903.

Copy of the above is forwarded to the Deputy Commissioner, Bangalore District, together with the records received with his letter No. 814, dated 18th January 1902. The above decision is in supersession of Government Proceedings No. R. 859, dated 19th August 1901.

BEFORE THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Appeal No. 16 of 1901-02.

Appellant	*versus*	Respondent
Krishnappa.		Admurtappa.

Subject.

Appeal against the order of the Deputy Commissioner, Tumkur District, stating that the appellant's tenure of Survey No. 114—4 of Gulur Amanikere village, Tumkur Taluk, determined on 30th June 1898 and disposing of the land by sale to the respondent.

Facts of the Case.

In January 1894, Survey No. 114 which forms the bed of Kaidala tank, Tumkur Taluk, was sub-divided into four parts and sold for temporary cultivation for a period of five years. Part No. 4 * was then purchased by one Gopala Rao for Rs. 75. In September 1897, this land was sold for arrears of revenue and purchased by the appellant for Rs. 8. The sale was confirmed by the Deputy Commissioner on 4th November 1897, and the appellant was put in possession of the land on 4th December 1897. In June 1898, the Amildar having reported that the term for which the lands were sold for cultivation had expired, the Deputy Commissioner ordered a re-sale of the four sub-numbers including the appellant's land subject to the condition of their being relinquished by the purchasers without compensation when required by Government. Survey No. 114—4 was accordingly sold on 13th September 1898 and knocked down to the respondent for Rs. 28. The appellant Krishnappa applied to the Deputy Commissioner for the cancellation of the sale on the ground that he was not aware that his tenure was temporary, but the Deputy Commissioner declined to interfere on the ground that it was clear from the records that the shekdar had informed him of the temporary nature of the occupancy at the sale in September 1897.

* Area.		Assessment.		
Acres.	Guntas.	Rs.	a.	p.
3	0	... 6	12	0

Decision.

1. The provisions of the law regarding forfeiture and sale should not have been applied to the kind of tenure under consideration. For default of payment of the assessment put upon the land, proceedings should have been taken against the other property of the defaulter. The land was tank-bed and had been expressly given for a limited term of five years subject to payment of annual rent, at the end of which it should have been unconditionally surrendered. It was a temporary tenure, and the incidents of transferrability or hereditability did not attach to it as is the case

with occupancy of lands held under survey tenure. It was a mistake to have sold the land for arrears. The purchaser has every right to complain that he was misled by the absence of a notice of the terminability of the tenure, into believing that he was purchasing the land held on survey tenure. The alleged notice by the shekdar has not been satisfactorily established. Having committed the mistake of selling the land to petitioner, the Deputy Commissioner might have continued him in possession during the additional term for which the tank-bed is to be made available for cultivation. It was wrong to have deprived him of the holding so soon after purchase and re-sold it. The sale of the land in question will be set aside and the land will be restored to petitioner for the further term applicable to the other lands in the tank-bed.

2. All this confusion would have been avoided if the land had not been forfeited and sold for arrears as if it were a land held on survey tenure.

No. 1184—P. F. 89-02, DATED BANGALORE, 12TH FEBRUARY 1903.

Copy of the above is forwarded to the Deputy Commissioner, Tumkur District, together with the records received with his letter No. 684, dated 25th January 1902. The above decision is in supersession of Government Proceedings No. P. 390, dated 22nd August 1901.

H. V. NANJUNDAYYA,
Secy. to Govt., Gen. & Rev. Depts.

FOREST.

Proceedings of the Government of His Highness the Maharaja of Mysore,

READ—

Note dated 25th January 1903, by the Officiating Conservator of Forests and Secretary to Government, Forest Department, soliciting sanction to write off the accounts certain sums aggregating Rs. 79, which are outstanding in the demand, collection and balance statement of the Bangalore District Forest Office.

No. 490-8—4883-91, DATED BANGALORE, 10TH FEBRUARY 1903.

ORDER THEREON.—Sanction is accorded to the sum of Rs. 79, referred to above, being written off the accounts. The attention of the District Forest Officer will be invited to the following remarks :—

A sum of Rs. 30 under budget head II (c) is shown against one Bagegowda. It would appear that an advice was prepared in favor of the man, but although it was not handed over to him, the amount was brought into account through inadvertence. Government observe that the procedure was glaringly wrong inasmuch as the amount was taken to account before the advice was issued to the party ; and they hope that such a mistake will not be repeated.

M. MUTHANNAH,
Offg. Secy. to Govt., Forest Dept.

To—The Deputy Commissioner, Bangalore District.
The Comptroller, Mysore Government, with a detailed list of the sums.
The Deputy Commissioners of other Districts for information.

MUZRAI

Proceedings of the Government of His Highness the Maharaja of Mysore.

READ —

Letter No. 145, dated 17th December 1902, from the Deputy Commissioner, Mysore District, reporting with reference to a petition about the mismanagement of the Sri Ramadevaru temple at Seringapatam, that, as the institution appears to be a private one and as it was never under Government management, the interference of Government is not needed.

No. 1719-27, DATED BANGALORE, 24TH FEBRUARY 1903.

ORDER THEREON.—From the vernacular records it is observed that the temple in question, though not under the management of the Muzrai Department till now, appears to have been richly endowed to the extent of about Rs. 11,230, by Sahukar Danti Sivarama Setti of Seringapatam. Complaints have been received that the present manager of the institution, one Siddarama Setti, has been misappropriating the endowments in question; but the Officiating Deputy Commissioner, Mr. H. Ramanujiengar, expressed the opinion that Government interference was not needed, as the temple appeared to be a private one.

2. The Deputy Commissioner's attention is drawn to Government Order No. 53 (Revenue), dated 11th July 1885, in which it is observed that "it is the duty of Government to see that all public, charitable and religious institutions are properly managed, and that the absence of the direct supervision of the Muzrai Department over the institutions does not deprive the Government of its right to prevent misappropriation and other malpractices." The Deputy Commissioner is accordingly requested to hold a thorough enquiry into the alleged mismanagement and misappropriation of the temple endowments, and submit a detailed report on the subject.

L. ANANTASAMI RAO, *Deputy Secretary, Muzrai Department.*

To—The Deputy Commissioner, Mysore District, returning vernacular papers.
The Deputy Commissioners of other Districts.
The Palace Controller, Mysore.

No. 1730-8, DATED BANGALORE, 27TH FEBRUARY 1903.

ORDER.—Instances have been brought to the notice of Government, that the local Muzrai Officers have been, of late, unauthorizedly admitting new Nehimidars into the chattrams, without obtaining the previous sanction of Government in the Muzrai Department, as required in Circle Order No. 23-32—1, dated 13th April 1892 (copy of which is hereto appended). This practice is objectionable and should be put a stop to at once.

2. The attention of the Deputy Commissioners of Districts and the Palace Controller is invited to the marginally noted Government Orders (copies of which are hereto annexed) deprecating the system of increasing the number of Nehimidars in the chattrams, the original object of which is to afford relief to pilgrim travellers.

(1) Camp No. 103, dated 21st November 1884.
(2) No. 3917—166, dated 9th August 1886.

3. Government would, however, make an exception in the case of persons, who are without any means of support whatsoever, or are incapable of earning a livelihood by reason of extreme old age, blindness, lameness or some such physical disability. In such cases the orders of Government should be invariably obtained.

4. In view to weed out from the list of Nehimidars all persons not really in need of help, and to make room for deserving persons, wherever possible to do so, a statement in the annexed form should be submitted within one month from this date, showing the existing Nehimidars in the chattrams, their circumstances in life, and

the Deputy Commissioner's or the Palace Controller's opinion as to the continuance or otherwise of the Nehimi allowances, now being enjoyed by them.

Number.	*Name of the recipient.	Present age.	When and by whom admitted i.e., under what authority.	Grounds if any, for such admission i.e., physical disability etc.	Monthly allowance in kind or in cash.	The recipient's present circumstances in life.	Deputy Commissioner's or Palace Controller's opinion, whether to continue or not.
1	2	3	4	5	6	7	8

* If any temples are in receipt of any allowance, it must also be entered in this statement.

L. ANANTASAMI RAO, *Dy. Secy., Muz. Dept.*

To—The Deputy Commissioners of Districts.
The Palace Controller, Mysore.

APPENDIX.

Government Proceedings Camp No. 103, dated 21st November 1884.

READ—Letter No. 290, dated 13th November 1883, from the Sub-Division Officer, Chitaldrug, reporting on the proposal for feeding some of the students of the Chitaldrug Sanskrit School in the Government chattram at that station and submitting proposals for the reduction of chattram establishments with a view to provide funds for the above purpose.

ORDER THEREON.—From the list submitted with the above letter, it is observed that there are no less than 7 Nehimidars, who receive rations etc., from the Chitaldrug chattram, their cost being nearly one-half of the total cost of the chattram. Two of these are only 22 and 24 years old. It was never intended that chattram funds should be misapplied to payments of monthly allowances to Nehimidars hereditarily. Rations may be given out of chattram funds to persons who are deserving objects of charity by reason of bodily infirmity or extreme old age, but such payments must always cease with the death of the recipient or with a change in his condition. If, instead of following this rational rule, the payments are continued indiscriminately and to the children of the recipients, they become virtually ready money inams which no Muzrai Officer had authority to grant.

2. The Sub-Division Officer is accordingly requested to fully enquire into the present condition of each recipient and with due reference to the time during which the allowance has been enjoyed by him, pass such orders as may appear to be proper for the continuance or discontinuance of the allowance.

3. Very poor Sanskrit students may, to the extent of the funds available, be admitted as Nehimidars during such period as they may prosecute their studies with due diligence.

4. The proposals submitted for the reduction of chattram establishments will be separately dealt with.

Government Proceedings General No. 3917-166, dated 9th August 1886.

ORDER.—The Dewan desires it to be pointed out that the issue of monthly supplies to Nehimidars is not a proper appropriation of the funds set apart for chattrams. Though it is undesirable to stop such supplies to Nehimidars suddenly, yet on their death, the supplies should never be continued to their heirs. No name should be newly added to the list of Nehimidars.

To—The Deputy Commissioners of Districts.

Government Proceedings Muzrai No. 23-32—Cir. 1, dated Bangalore, 13th April 1892.

ORDER.—At present the number of Nehimidars in many of the Government Annachattrams is very large, and the consequence is that feeding is stopped for several days in the month on the ground of the insufficiency of funds.

2. Government therefore direct that no name should, on any account, be newly added to the list of Nehimidars in future without the orders of Government in the Muzrai Department.

To—The Deputy Commissioners of Districts.
The Palace Controller, Mysore.
The Comptroller to the Government of Mysore, for information.

PUBLIC WORKS

Proceedings of the Government of His Highness the Maharaja of Mysore,

READ—

Correspondence ending with Chief Engineer's Note, dated 30th January 1903, regarding the funds required for the Kolar Gold Fields Water-supply project.

No. 180-4—1073-7, DATED BANGALORE, 27TH FEBRUARY 1903.

ORDER THEREON.—The Government having sanctioned the project for the Kolar Gold Fields Water-supply at a cost of 11 lakhs, the probable amounts required for expenditure on the work for the current and the next official years are, as per statement appended, *viz.*, Rs. 4,66,000 and Rs. 6,34,000, respectively. The Comptroller will be good enough to arrange for the funds required being placed at the disposal of the Public Works Department as supplemental to the Provincial budget grant of that Department.

2. He is also requested to arrange for the remittance of the English payments, of which due intimation will be sent to him by the Executive Engineer, Hessarghatta Water-supply Division, through Superintending Engineer, Eastern Circle.

W. McHUTCHIN,
Secy. to Govt., P. W. D.

To—The Comptroller to the Government of Mysore.
The Examiner, Public Works Accounts.
The Secretary to Government, General and Revenue Departments.
The Superintending Engineer, Eastern Circle, with the sanctioned project.
The Deputy Commissioner, Kolar District.

READ—

The following Note, by the Chief Engineer, dated 20th December 1902 :—

1. The unexpended balance of all allotments for the Cauvery Power Scheme in current budget amounts to Rs. 1,30,000 in round numbers. These allotments were made on the estimate sanctioned in Government Proceedings No. 170-3—792-5, dated 10th February 1902. Circumstances have arisen since, which could not have been foreseen, for example—

(1) The settlement for extras supplied by the General Electric Company.
(2) Increased cost of operation.
(3) Expense of attendants to Distribution plant.
This was expected to fall entirely on the contractors, whereas, owing to unavoidable delay in taking service, the Government will have the Distribution plant to attend to for nearly six months after contractors go in March.
(4) Increased number of Probationers.

2. I estimate the expenditure from 1st November up to 31st June next as under :—

Rs.	
48,000	Special Establishment at Kolar, Sivasamudram, and on the line, including Motor attendants on Distribution plant at Kolar :—
27,000	Pay of Probationers.
18,000	Pay of Resident Engineer and his office.
15,000	Store sheds Tramway etc., already sanctioned.
1,08,000	This will be spent at about Rs. 13,000 a month.

In March we have to meet passages of Americans for our staff about—

Rs.	
20,000	To this add four months' pay, March to June—
70,000	
90,000	

The distribution of this will be :—

	Rs.
March	37,500
April	17,500
May	17,500
June	17,500
	90,000

Total expenditure against revenue Rs. 1,08,000+Rs. 90,000=1,98,000
Add 5% contingencies 10,000
Total Revenue Expenditure .. 2,08,000

Capital expenditure will be :—

Rs.	
80,000	in settlement with the General Electric Company for extras.
6,500	spares for Hydraulic machinery submitted for sanction in my Note of 12th December 1902.
4,000	Contingencies.
90,500	Say one lakh all to be paid out after March.

	Rs.
Total expenditure	3,08,000
Funds available	1,30,000
Balance	1,78,000
	Say 1,80,000

Under these circumstances, I have the honor to request that funds be placed at my disosal at an early date.

No. 186-9—1088-91, DATED BANGALORE, 28TH FEBRUARY 1903.

ORDER THEREON.—Government are pleased to sanction the additional grant of Rs. 1,80,000 required for the current year for the Cauvery Power Scheme, under the ircumstances explained in the above note.

W. McHUTCHIN, *Secy. to Govt., P. W. Dept.*

To—The Resident Engineer, Cauvery Power Scheme Division.
The Examiner, Public Works Accounts.
The Comptroller to the Government of Mysore.
The Secretary to Government, General and Revenue Departments.
